## MADERO'S CABINET HAS BEEN CHOSEN

### Provisional Government at Juarez Formed After the Fighting Ceased.

### MAKING USE OF THE VICTORY

Normal Conditions at Juarez Again. No Further Rebel Activities Reported—Peace is Now Expected—Details.

Juarez, Mexico, May 11.—Mexico provisional government, composed of insurrectionists, became an established fact today with the naming of a cabinet by Francisco I. Madero, Jr., provisional president, and with the establishment of a capital in the captured city of Juarez, where Gen. Navarro and his Federal troops are held prisoners.

The cabinet follows:

Minister of Foreign Relations—Dr. Vasquez Gomez.

Finance—Gustavo A. Madero.

War—Venuistana Carranza.

Interior—F. Gonzales Suarez.

Justice—Jose M. Pino Suarez.

Private Secretary of President Madero—Juan Sanchez A. Secona.

Secretary of War Carranza will have charge of railways and telegraphs. His first act was to grant permission for the repair of the Mexico Northwestern railroad. Men immediately began repairing the road bed south of Juarez.

Gonzales Garza will have charge of the mail service and Secretary of Treasury Madero will direct the affairs of the custom house.

**Rebels More Than Mob.**

That the insurrecto army is more than an armed mob, was shown today in the absence of general looting and intoxication and the quickness with which the shattered city was cleared of its dead and wounded. The embargo against visitors was removed during the day and sightseers in thousands poured across the bridge from El Paso.

Only occasional cases of looting were reported, and these not by the insurrectos themselves, but by insatiable curio hunters, one of whom triumphantly displayed in El Paso two silver candlesticks taken from the big church in which the Federals made a desperate stand.

The insurrectos are not overlooking the possibility of attack from Col. Rabago, reported approaching from Chihuahua with a relief force. The rebel leaders will not divulge their plans in this direction, but it is known that surprise from the south is carefully guarded against.

Juarez tonight contains the larger part of Madero's original force of 1,940 men augmented by several scores of volunteers, who during the day enlisted under the banner of the victorious rebel army, and were armed with captured rifles.

**Rebel Leaders Amazed.**

Now that the battle of Juarez has been fought and won, even the insurrecto leaders are wondering somewhat at the easiness of the capture of the city that appeared almost impregnable.

With a well drilled force of regulars, thoroughly armed with field and machine guns posted at strategical points the garrison was outfought and outmaneuvered, and surrendered to a force of insurrectos that at the most did not number more than 600 or 700 fighting men.

An explanation may be found in the expressions of Federal prisoners. A number of the wounded expressed sympathy with the insurrecto cause, while others, unwounded but disarmed, openly fraternized with the rebels.

"The Federals simply would not fight," epitomized the belief in insurrecto ranks.

General Madero has established headquarters in the one-story municipal building across the street from the big church which was the scene of the fiercest fighting and there during the morning the insurrectos chieftain conferred with his leaders, and Senors Obregon and Braniff, who acted as go-betweens in the futile negotiations for peace, and Dr. Vasquez Gomez, confidential agent of the revolutionists at Washington and their chief peace commissioner who were at the Madero headquarters.

**Peace Now in Sight?**

There was an undercurrent of feeling among the victorious insurrectos tonight that peace would be in sight before another 24 hours had passed and that representatives of the Diaz and Madero governments would again be arranging for the laying down of arms in Mexico.

The Madero headquarters were besieged all day by anxious householders and storekeepers imploring the rebel leader to allow them to resume possession of their shattered property. But only in a few cases was such permission given.

Guards were stationed at nearly every building in the town to prevent looting, all liquor supplies had been confiscated, and so far as possible within a few hours since the leaden hail swept through the streets the ravages of the storm had been removed. Broken and blackened walls and great blots of blood darkened by the fierce sun, told the story of the bitterness of the last two days of fighting more eloquently than the throngs of ragged,

## TANGLE IN SENATE BLOCKS PROGRESS

### Republicans Unable to Control Caucus Without Aid of Progressives.

### FAILED TO ELECT GALLINGER

Tried to Make Him President Pro Tempore to Succeed Frye—Adjourned After Seven Unsuccessful Attempts.

Washington, May 11.—The incapacity of the Republican party in the Senate to control a caucus edict without the aid of the progressives, was demonstrated in the Senate today when, after more than two hours of effort, and as a result of seven ballots the Senate failed to elect Senator Gallinger, of New Hampshire, as president pro tempore to succeed Senator Frye, of Maine. Mr. Frye's recent resignation was based on poor health.

Today's deadlock was due to the opposition of the progressive Republican senators, five of whom voted against and three of whom were paired against Mr. Gallinger. Finally the Senate adjourned until Monday on motion of Mr. LaFollette.

Senator Cullom, as the chairman of the Republican caucus, placed Senator Gallinger in nomination; Mr. Martin, chairman of the Democratic caucus nominated Mr. Bacon, of Georgia; and Mr. LaFollette nominated Mr. Clapp.

On the first ballot it was apparent that when the progressives did not cast their votes against Mr. Gallinger they were so paired as to render effective the votes of absentees. Senator Borah announced his desire to vote for Mr. Gallinger, but stated that owing to a pair with Senator Works, who was unfriendly to Senator Gallinger, he could not do so. Later he stated that this pair had not been arranged to injure the New Hampshire Senator and was a personal arrangement. Mr. Dixon was paired with Mr. Cummins and Mr. Kenyon with Mr. Bourne.

The first ballot totalled 73 votes of which Mr. Bacon, the Democratic candidate received 35; Mr. Gallinger, the Republican candidate 32; and Mr. Clapp 4; while Mr. Bacon voted for Mr. Tillman and Mr. Clapp for Mr. Bristow. Messrs. Bristow, LaFollette, Gronna and Poindexter voted for Mr. Clapp. Messrs. Cummins, Bourne, Works and Crawford, progressives, were all absent, but paired for Senator Clapp except Mr. Crawford, who was ill. All the Democratic votes were cast for Mr. Bacon. Necessary to a choice 37. On second ballot Senator Gallinger, who had refrained from voting, voted for Mr. Lodge, increasing the total vote to 74 and making 38 necessary to elect. The figures for each candidate were unchanged throughout the voting until on the last vote by his own ballot and that of Senator Taylor( of Tennessee, who was paired with him.

Mr. Root contended that under the rules all Senators are required to vote when their names are called. Mr. Bailey replied that the immemorial custom of the Senate has so sanctioned pairing as to render it equivalent to a rule.

Mr. LaFollette, for the progressives, denied the right of any senator to make the point against any one voting "as I vote that we are voting against our party." "I do not propose," he said, "to be outlawed because I cannot agree to support any man who may be agreed upon such a secret meeting."

By vote, the Senate held that a pair could not be recognized only as an excuse for not voting. Messrs. Stone, Bailey and other Democrats contended that a plurality should elect. A decision in their favor would have meant the election of Senator Bacon, but the chair ruled against them.

### E. C. T. T. COMMENCEMENT.

Exercises at Greenville Last of Present Month—Speakers.

(Special Star Correspondence.)

Greenville, N. C., May 11.—The commencement of the East Carolina Teachers' Training School will be held May 21st to 23rd. The commencement sermon will be preached by Rev. Charles E. Maddry, of Statesville, on Sunday at 11 o'clock.

The annual address by Hon. Josephus Daniels, of Raleigh, Tuesday at 10:30 o'clock, A. M.

Monday afternoon class day exercises will be held in the park. A music recital will be given Monday evening. Tuesday will be commencement day with the graduating exercises, awarding certificates and announcements.

The Board of Trustees will meet Tuesday. This will be the first class to graduate from this school. The Seniors are having their final examinations this week.

## SUPREME COURT ON WATER SUPPLY

### Interesting Case From Shelby Decided by North Carolina Judges.

### OTHER OPINIONS YESTERDAY

Six Charters by Secretary of State. Federal Memorial Day—Missionary Union—State Quarantine Regulations.

(Special Star Correspondence.)

Raleigh, N. C., May 11.—There were opinions today in 14 appeals by the Supreme Court, the delivery having been deferred from yesterday on account of Memorial Day.

The list follows: Brown vs. Hutchison, Wilkes county, error; Jenkins vs. Jones, Caldwell, affirmed; Shell vs. Sullivan & Aiken, Catawba, no error; Yount vs. Setzer, Catawba, affirmed; State vs. Baldwin, Catawba, new trial; Town of Shelby vs. Mill & Power Co., Cleveland, affirmed; Commissioners of Lexington vs. Aetna Indemnity Co., Davidson, no error; Jones vs. Williams, Duplin, new trial; Jenkins vs. N. & S. Railway Co., Lenoir, no error; Steinmetz vs. Kilpatrick, Duplin, appeal withdrawn; Suderth vs. Southern Railway, Wilkes, affirmed; Strickland vs. Hayes, Rutherford, appeal dismissed under Rule 30; Logan vs. Moore, Rutherford, appeal dismissed under Rule 30; Williams vs. South & Western Railroad, McDowell, appeal dismissed.

The case of most interest is that of the Town of Shelby vs. Mill & Power Co., in which the court, Justice Brown writing the opinion, rules in favor of the contentions of the town of Shelby, in which the water supply of the town was involved. The Mill & Power Co., was emptying into French Broad river above Shelby its raw sewerage and Shelby insisted that the company must take care of this sewerage through a disposal plant. The Mill & Power Co., set up the defense that the company had been enjoying the privilege of disposing of its sewerage as now for 25 years and had thereby attained a proscriptive right to this privilege. The Supreme Court denies this right to the company and declares that the preservation of public health as well as public morals is a duty devolving on the State, the discharge of which is denominated an exercise of police power, and it is under such power that such legislation as this is sustained and enforced.

Six new charters and amendments was the record in the office of the Secretary of State today. The charters follow:

The Abbott Motor Co., Charlotte, capital $50,000, by W. R. Smith, J. L. and F. H. Lummus for handling automobiles and other motor vehicles.

The West End Land Co., Durham, capital $100,000 authorized and $4,000 subscribed by E. J. Parrish, R. O. Burton, W. J. Holloway, S. C. Brawley and others for developing real estate.

The Marcia Mills Co., of Crouse, Lincoln county, capital $125,000, by B. D. Miller, R. K. Blair and others for mercantile and manufacturing business.

The C. J. Jeffress Co., Canton, Haywood county, capital $5,000, by C. J. Jeffress, C. N. Justice and E. B. Jeffress, for mercantile business.

The Fayetteville Lodge No. 1080, Benevolent and Protective Order of Elks, Fayetteville, no capital, purpose the furtherance of the purposes of the order and the uplift of the community, incorporators, J. D. McNeill, Thomas Badger, Jr., and numerous others.

The Imperial Clothing Co., Winston-Salem, capital $50,000 by C. M. Phelps, Geo. W. Norman and others for general clothing business.

The Shelby Machine and Supply Co., Shelby, amends its charter so that the principal office is changed from Shelby to Wendell, Wake county.

Preparations are being made for the observance of Federal Memorial Day here May 30th. R. N. Simms, prominent young attorney of this city, has been invited to deliver the address. The local military company is to take part in the military demonstration.

In rounding up its three days annual session with Edenton Street Church here, the Woman's Home Missions Society of the North Carolina Conference, selected Weldon for the next meeting and elected as officers the same ladies who served so effectively the past year.

It is a notable fact that Raleigh and Wake county authorities have determined to maintain quarantine for smallpox in spite of the fact that the State health authorities had the quarantine law for smallpox repealed on the ground that the proper protection is vaccination and that the quarantine is merely an expensive institution for the few who hold out against or neglect vaccination. A number of cases of smallpox have developed in Raleigh, the last week or so. Two children have broken out in the public schools and an insistent demand on the part of the people for the quarantine constrained Mayor Johnson and the county authorities to get together and take steps for the quarantine. The insistence hereabouts is that there never should have been any repeal of the quarantine law as smallpox patients should not be allowed to

(Continued on Page 6.)

## REBELS' DEMANDS ARE MORE RIGID

### Will Expect More from Mexico if Peace Negotiations are Renewed.

### CABINET HOLDS CONFERENCE

Result of Recent Success in Capturing Juarez—Rebel Chiefs Will Consent to No Terms at Present — Details.

Juarez, Mex., May 11. — The first conference of provisional President Madero and his cabinet took up a plan for procedure for peace negotiations, looking toward their resumption, but no announcement was forthcoming in regard to it tonight.

In fact, the rebel chiefs are now disinclined to spread any peace talk. They say it has a disconcerting effect on insurrecto activity in other parts of the republic, and military operations, they believe, should continue vigorously until a definite peace agreement is signed.

The plan for peace negotiations is to conduct them with more directness than heretofore. Judge Carabajal, the Federal peace envoy, is still here, ready to renew peace negotiations.

The revolutionists say they are ready to treat for peace, but their demands have been strengthened by their recent successes. Before the battle they asked only four ministers in the cabinet; now they are said to demand that the entire cabinet of the proposed provisional President, Senor De La Barra, shall be composed of rebels.

The rebel chiefs will consent to no terms at present, except a definite understanding regarding President Diaz's resignation. Should the government decline to accede, they purpose to pursue the war.

Word was received today of the establishment of revolutionist agencies in London and Paris, ready to apply for recognition, should the insurrectos win another decisive battle, or take Mexico City.

Dr. Gomez's first statement as minister of foreign affairs was issued today.

In his statement, Dr. Gomez declares that "to avoid great sacrifices to the country the government of General Diaz should yield so that peace may be brought about. After stating that the taking of Juarez will make the revolutionists stronger than before, Dr. Gomez predicts the fate of the Diaz government, and that peace speedily will be brought about.

### FIRE ON TORPEDO BOAT.

Quickly Extinguished by Cool-Headed Members of Crew.

Newport, R. I., May 11.—A small blaze on the submarine torpedo boat Grayling, while out on the torpedo course in Narragansett Bay yesterday, was extinguished by cool-headed members of the crew before much damage had been done, according to an official report made here today. The Grayling was steaming awash, firing torpedoes, when some alcohol and grease became ignited in the forward compartment. Members of the crew with a blanket smothered the blaze before it had an opportunity to spread.

### ALLEGED MURDERERS ESCAPE.

Broke Jail at Warsaw, Va.—Held for Killing Schooner Captain.

Warsaw, Va., May 11.—Tony Eva and George Wallace, who since February had been confined in the jail at Montross, charged with the murder of Captain Allen Dorsey, of the schooner Irene Ruth, and his mate, John Adams Churchler, in the Potomac river, and who together with H. Brady, were indicted at the Westmoreland court for the crime, broke jail last night, and made their escape.

### OUTLINES.

General Madero, president of the provisional government in Mexico, yesterday named his cabinet, after establishing the capital at Juarez. No rebel activities were reported in the Republic yesterday——The strike of cigar makers at Tampa, Fla., as a result of the court's decision against leaders in a former strike, was called off yesterday and the men will return to their benches today——The Republicans in the Senate yesterday were unable to elect Senator Gallinger, of New Hampshire, as President pro tempore to succeed Senator Frye, of Maine, on account of the opposition of the progressives——The question of international law and recognition of the Mexican rebels came up for consideration of the United States government yesterday——New York markets: Money on call steady 2 to 2 1-2 per cent., ruling rate 2 1-4, closing bid 2 1-8, offered at 2 1-4; spot cotton closed quiet 15 points higher, middling uplands 15.90, middling gulf 16.15; flour firm and held higher; wheat firm. No. 2 red 98 1-4 elevator and 99 5-8 fob afloat; corn spot firm, export new No. 2, 6 0 1-2 fob afloat; oats spot firmer, standard white 40; rosin quiet, turpentine steady.

## President of Lutheran Synod

Rev. M. M. Kinard, Ph. D., of Salisbury, N. C., who, on Wednesday Was Honored by His Church.

## NEUTRALITY LAWS ON BORDER

### Orders to American Commanders to Handle Border Situation—Rebels Will Collect Custom Duties at Juarez.

Washington, May 11.—Officials in Washington were today engrossed in considering questions of international law relating to rights of insurrectionists to secure food and other supplies from neutral territory; the extent to which the Federal authority can go in controlling the exportation of arms and munitions of war to Mexico, and what authority army officers may legally exercise in restricting the movement of civilians and soldiers and rebels on the border. The War Department simply abided by its original orders to the military commanders to execute neutrality laws as they understood them.

Actually there was no real question between the departments after the legal advisor of the insurrectionary agent here had been told by the Treasury Department that the trade relations between El Paso and Juarez might proceed as heretofore. Thus at least food supplies and merchandise might be carried across the line according to the usual practice. No attempt was made to decide as to admission of arms as that question had not been raised. Probably it will not be until an attempt is actually made to carry an invoice of rifles and ammunition through the American custom house.

In answer to complaints to the War Department of the severe measures adopted by the American military commanders to prevent shipping supplies across the line, as well as crossing of non-combatants, Col. Steever's action at El Paso was upheld as fully within his instructions. He had required that all supplies for Juarez be cleared through the El Paso custom house, as in normal times. Major General Wood ordered military commanders to permit free passage across the international line of all persons, Americans or Mexicans, without arms and not carrying supplies.

Ambassador Wilson informed the State Department of a gathering last night at the American embassy in Mexico City of the representatives of Great Britain, France, Italy, Belgium, Spain and Germany, the purpose being to agree upon measures of safety for the embassies and foreign residents of the capital in case of a siege.

The insurrectos are preparing to reap the immense practical benefits which they believe are bound to accrue through the possession of an important international port of entry.

"We shall immediately appoint custom house agents that will collect duties, and who for that purpose will inspect all merchandise coming through ports in our possession," said Jose Vasconcelos, the insurrecto representative here tonight. "To avoid damage to public interests, we will recognize invoices signed by consuls of the Diaz government until our own consuls have been appointed and take office. In this way business transactions will go ahead even though we do not get a formal recognization of our officers. The fact that their services will have to be utilized by all shippers will establish a de facto situation that probably will lead to formal recognization by foreign governments."

### TAFT WILL BE PRESENT.

At Banquet Given Cotton Seed Crushers by Produce Exchange.

New York, May 11.—President Taft has announced his intention of being present at the banquet to be tendered the delegates of the Cotton Seed Crushers' Association by the New York Produce Exchange next month. The occasion is the annual convention of the Association and upwards of 800 delegates are expected from all parts of the South.

## THE CENTRAL HIGHWAY PARTY

### Enthusiastic Reception Yesterday at Goldsboro—Wayne County Organizes Good Roads Association—Features.

(Special Star Telegram.)

Goldsboro, N. C., May 11.—This has been a great day for Goldsboro and Wayne county. Our people were up and out early this morning in response to a call for an automobile caravan and a delegation of representative citizens to go out and meet the delegation of highway commissioners at the eastern county border on their approach from the sea via Newbern and Kinston and escort them into the city.

Every automobile with but few exceptions, was in the avalanche and a most encouraging feature was the presence of may public spirited women in the procession. These are as strongly alive and in earnest for the Central Highway good roads as are the men themselves.

The representatives of the Central Highway Commission, Messrs. H. B. Varner, Wm. Dunn, J. A. Wellons, R. M. Phillips and Dr. Jos. H. Phatt, the latter the State's expert good roads engineer, were duly met near LaGrange by the great demonstration headed by Mr. George C. Royall, member for Wayne county, and they were more than surprised and enthused at the great outpouring of our people to thus greet them and when the great caravan had arrived in this city an immense horse shoe was formed in front of the Kennon Hotel and a photograph was made of the inspiring scene. Every automobile carried streamers heralding progressive mottoes.

At 7 o'clock this afternoon the commissioners' delegation and citizens met in the Court House for the purpose of perfecting the purpose of the commission's visit to the city.

Mr. H. B. Varner, State chairman, called the meeting to order and briefly, forcibly and clearly explained the purpose of the movement and introduced Dr. Pratt, who stated that the best roads are sand and clay and that Wayne county has both at hand and only needs the application of the two to have the best roads in the State at a cost to our people of not to exceed $250 per mile, the same as costs her sister counties from $500 to $1,000 per mile.

After the speeches were delivered, Mr. Varner called for the organization of a County Good Roads Association, which was speedily and enthusiastically formed and the following officers elected:

President—Mr. Geo. C. Royall.

Vice President—Mr. Geo. L. Becton, of Fork township.

Secretary and Treasurer—Mr. Geo. A. Norwood.

Tonight at 8 o'clock the visitors were the guests of the Goldsboro Chamber of Commerce at supper and will make an early start in the morning for Smithfield, their next stop.

### WANTS A "SPOTLESS TOWN."

Mayor Reyburn Issue a Proclamation In Philadelphia.

Philadelphia, May 11.—Mayor Reyburn this afternoon issued a proclamation calling upon the city to insit tute a thorough "house cleaning" in preparation for the opening of the Third National Conference on City Planning, Monday. It is addressed to business men, to mothers and to house-keepers and to boys and girls, and it outlines the steps to be taken to make Philadelphia a genuine "spotless town."

The proclamation invites all the citizens of Philadelphia to the exhibit of city planning at he city hall, to be held from May 15th to June 15th, and the Philadelphia Milk Show from May 20th to May 27th.

The City Planning Conference will bring together many prominent men and women of varied interests in this country and Europe.

During our Challenge Sale we guarantee our prices to be 4 per cent. less than elsewhere. Platt & Haar. **

## WORLD MISSIONS THEME OF SYNOD

### Laymen's Movement Takes Firm Hold Upon North Carolina Lutherans.

### THE SESSIONS YESTERDAY

Fraternal Address by Rev. C. L. Miller—Report of Executive Committee—Report of Mt. Pleasant—Missions.

(By Mamie Bays.)

No feature of the North Carolina Synod of the Evangelical Lutheran Synod, now in session in this city, has attracteid more interest than is true of the meeting of the Laymen's Missionary Movement which was held in the Lutheran Memorial Building yesterday afternoon. There was an audience which filled the building and every member was full of interest and information.

Mr. L. Hanson presided over the meeting and after an opening service of song and prayer, Rev. E. C. Cronk, D. D., General Secretary of the Laymen's Missionary Movement for the Lutheran Church, delivered the first address on the programme. His subject was "Laymen's Missionary Movement in the United Synod." Dr. Cronk emphasized first the fact that the Laymen's Movement is a part of the church and has no desire to be separated from the church. He insisted that the laymen have no desire to take the place of the ministry, but are simply waking up to their responsibility and duty to the work of the evangelization of the world, the laymen want simply to follow the leadership of the pastors. Dr. Cronk spoke also of the results of the Laymen's Missionary Movement, showing that already much has been accomplished through the channel of literature which presents missionary facts and figures, also through the channel of mission study classes. He showed also that as a result of the Laymen's Missionary Movement more recruits have been secured for work in the foreign fields, more definite prayer for missions and missionaries is being offered now than formerly, being followed by more gratifying results.

He spoke also of the financial and spiritual awakening which has followed this movement among the laymen of the church, giving the mission boards of the various churches more money to use in the work, of world evangelization that was ever given them before, and with this liberality of money is combined actively in spiritual things on the part of the church, such as has not been known before.

Speaking of the encouraging reports received regarding the results of the Laymen's Movement, Dr. Cronk said that the most encouraging reports had come during the past two months from the North Carolina Synod. He then urged the men before him to realize more the importance of the work of canvassing the congregations to which they belong, and to canvass for work as well as for money.

The next speaker was Mr. C. W. Polvogt, of Wilmington, and "What Business Has a Business Man With Missions," was his subject. The truth which he emphasized most was that business men need to remember more that it is the duty of the business man to take into the missionary enterprise the same activity and business methods which he uses in making his business enterprise a success.

The subject, "What are the Laymen of the North Carolina Synod Doing for Missions?" was the subject of the address of Mr. J. P. Cook, of Concord. He showed first that the laymen of this Synod have done more for missions than is known to many. This work, he said, has been done quietly and steadily, but without acclaim. He also expressed the belief that the large results of the laymen in the work of this Synod have just begun, and they will grow larger from year to year.

The next speaker was Mr. J. R. Smith, of Liberty, and his subject was "What Can the Laymen of the North Carolina Synod Do for Missions?" He called attention to several phases of the work of mission in which the laymen can do a large work, and showing that every investment the laymen make in missions is an investment that is worth while.

"The Value of the Laymen's Movement in General," was the next subject discussed, and Mr. W. W. Koch, of Wilmington, was the speaker. He began with the statement that the meaning of the awakening of the laymen in the churches since the beginning of the work of the Laymen's Movement is beyond comprehension. He showed further that much has been done in the simple outlining of the work to be accomplished and the organization for the accomplishment of the work.

He also cited a number of instances in proof of the advancement of the missionary enterprise which has been brought about as a result of the work of the Laymen's Movement in the churches.

Dr. C. C. Costner, of Charlotte, was the last speaker on the programme. The subject of his address was "Our Opportunity of the Hour." The plea of his address was especially for laymen to realize that they can afford to lose no time in the work of the

## ROCKY MOUNT LEAGUE.

**City Teams to Play Baseball in Railroad City — Organization.**

(Special Star Correspondence.)

Rocky Mount, N. C., May 11.—Having failed in repeated efforts to get a four-city league team for the National sport here this season, a very promising city league was organized last nigut in the Mayor's office with Mr. W. S. Mcye as president and composed of teams representing the Apprentices, the Mechanics, the office force of the A. C. L., at South Rocky Mount, and the office force in the superintendent's office here; the business men and the Methodist Baracas. A commission to govern the league in all matters was appointed to consist of E. G. Johnson, chairman; Harry Abram and John Brooks with J. L. Horn, Jr., secretary. A schedule committee was appointed and other steps taken to get the season started, playing from 12 to 14 weeks.

## BASEBALL AT BOARDMAN.

**Locals Easily Defeated Fairmont Team Wednesday Afternoon.**

Boardman, N. C., May 11.—Boardman easily defeated Fairmont here this afternoon by the score of 9 to 3. The locals had on their batting clothes, and Grantham, the visitors' star southpaw, was hit at will, he also contributed several passes. Covington, the local pitcher, was in fine form and had Fairmont completely at his mercy with the exception of the sixth inning, when he let up on them and allowed three hits, which, coupled with excusable errors behind him, netted the visitors their three tallies. Score:

Boardman .....310 200 120—9 10 3
Fairmont .....000 003 000—3 3 6

Batteries: Covington and Robertson; Grantham, McDaniel and Jones.

## BASEBALL YESTERDAY.

**St. Thomas' Sunday School Team Won From the Boys' Brigade.**

The second game of the Sunday School Baseball League yesterday proved just as interesting as the first played Tuesday afternoon. The game was between the teams representing the Boys' Brigade and St. Thomas' Sunday school and was interesting throughout. The pitching of LeGwin and Shannon and the hitting of Reilly were features of the game. The score was 7 to 3 in favor of the Brigade. Batteries: LeGwin and Burnett for Brigade; Shannon and Sweeney, Jr., for St. Thomas. Umpires Schulkeh, S., and A. Wright. Scorer Tems.

The third game in the Sunday School series will be played this afternoon between the Y. M. C. A. boys and St. James' Sunday school.

## INDOOR BASEBALL.

**Proving Strong Feature Among Juniors at the Y. M. C. A.**

The Junior Indoor baseball games are proving the most interesting feature of the physical department work of the Y. M. C. A. just at present. Last night the Giants and the Tigers crossed bats and the contest was a hot one from the start. The feature of the game was the pitching of Shepard. The final score was 10 to 4 in favor of the Giants. This makes the standing of the teams as follows: Giants, 1,000; Ramblers, .500; Cubs, .500, and the Tigers .000. J. U. King umpired a good game.

**Knock-Out Brown Wins.**

New York, May 11.—In a rushing ten-round bout Knock-out Brown, of New York, outfought and easily won the popular decision over Tommy Murphy, of Brooklyn, at the Whirlwind Athletic Club, of Brooklyn, tonight. The toe-headed little fighting Dutchman, as Brown is called, was the aggressor from the start and while Murphy fought a heady fight he had not the strength to carry his skill to advantage. One of the biggest crowds that ever attended a fight in Brooklyn witnessed the bout.

## TAMPA STRIKE CALLED OFF.

**Manifesto Issued Calling Men Back to Their Benches.**

Tampa, May 11.—At a meeting of the committees representing the five cigar makers unions here tonight it was unanimously decided to call off the strike inauguarted yesterday, and a manifesto was issued calling the men back to their benches tomorrow.

The action of the joint committee tonight involves 10,000 cigar makers, 6,000 of whom walked out yesterday and the remainder failed to return to work this morning.

In West Tampa early strikers attempted to interfere with a body of workmen going into one of the independent factories to finish up tobacco which had been prepared overnight.

The prompt interference of the police, however, prevented disorder.

The decision of the joint advisory committee tonight followed a conference between Circuit Judge Joseph B. Wall this afternoon and attorneys for the strike leaders, who recently were sentenced on conviction of a conspiracy charge.

Judge Wall assured the strikers, through their attorneys, that he would see that they were granted every privilege of an appeal to the Supreme Court on habeas corpus writs and that they would be given ample time in which to prepare petitions for a pardon, the defendants to be allowed their liberty on bail in the meantime.

The attempt of the cigar makers to get the other trade bodies of the city to strike with them failed, the members of the other unions declaring that the action of the cigar makers was unwarranted.

St. Louis, Mo., May 11.—Prof. G. A. Romoser, of Conover, N. C., today was elected vice president at the biennial convention of the Lutheran English branch of the Missouri Synod.

## SUICIDE AT CHARLOTTE.

**J. A. Donahue, Cotton Mill Man, Ends Life With Carbolic Acid.**

Charlotte, N. C., May 11—The Evening News of this afternoon has the following:

"Carbolic ecid, self-administered, ended the life of J. A. Donahue at his home, 1114 North Davidson street, this morning between 6 and 7 o'clock.

"He was about 33 years old and had for five years been overseer in the card room of the Highland Park Mills. He resigned last week and went to Columbia for a few days. Returning last night about 9 o'clock he was assisted upon a street car by John S. Owens.

"After this the suicide was seen upon the streets of the city until about 11 o'clock when he presumably went to his home. From which drug store he bought the poison with which he killed himself is not known.

"Walking into the dining room of his home shortly after 6 o'clock this morning he remarked to Mrs. Donahue and his children:

"I am tired of life and have ended it all." They were not prepared for the startling declaration, and did not go to his room for several minutes afterwards when they found him writhing in pain. He was then unconscious, the carbolic acid having eaten its way through his intestines. Death resulted before a physician arrived.

"As head card man at the Highland Park Mills Mr. Donahue was known all over Charlotte, especially among the cotton mill people. He was a member of the Red Men and had taken an active interest in this order, being known familiarly to all of those who mingle with the Red Faces.

"Members of the lodge to which he belonged will accompany his remains to the graveyard tomorrow morning.

"So far as can be ascertained there was no reason for the self-murder. Mr. Donahue was in good circumstances and though he had been drinking for some time no one thought he would resort to such desperate ends.

"His death must have been premeditated for he went to his wife and children after he had swallowed the terrible poison.

"Besides his two children and wife here he leaves a brother in Greenville and another in Pinners' Point, Va. He had lived in Charlotte for five years, coming here from Greenville."

New York, May 11.—A race with water spouts off the Virginia coast is recorded in the log of the steamer Matapan from Colon and Kingston, which docked here today. The spouts were seen April 22nd, and propelled by a friendly wind they chased the vessel for a quarter of an hour. The ship proved the speedier, however, and left the spouts far astern.

Get your baseball shoes at Peterson & Rulfs. **

## HIGH MARK FOR COTTON.

**Buying on New Orleans Exchange—Market Bullish.**

New Orleans, May 11.—Steady buying put the price of old crop cotton to new high levels for the season today, July touching 15.81 toward the end of the session in the local market. At this level July was 22 points or a little more than a dollar a bale over yesterday's close.

The rise was attended with little or no excitement and at no time did the leading bulls attempt to boost things. There was little cotton for sale and buyers bid prices up on themselves in securing what they wanted.

Back of the rise was the strength of the statistical position, but what really touched it off was the forecast of colder and unsettled weather in the Western half of the cotton belt. For some days conditions have been very favorable in the cotton belt and the fear that these conditions might be reversed caused great nervousness among shorts.

The belief locally is that the bull crowd are in a position to make shorts pay a high price for covers. On the bear side there are rumors of heavy tenders of cotton.

It is claimed that May deliveries of spots will amount to 20,000 bales. Frank B. Hayne, who is leading the local bull forces is predicting higher prices. Day after day he announces his willingness to take all the May and July cotton the ring will sell him.

## WIRELESS OFFICERS ON TRIAL

**Charged With Misuse of the Mails—Duped People With Stock.**

New York, May 11.—In the trial of the officers of the United Wireless Company, charged with misuse of the mails, the government today through expert accountants traced the history of 174,534 shares of stock which the defendants are alleged to have issued to themselves.

The Pacific coast took kindly to the glowing description of what United Wireless was about to do, John P. Feonsler, an accountant testified. Investors there he said purchased 82,754 shares of preferred stock for $1,782,514. Of this Col. Christopher Columbus Wilson, the company's president, received $1,713,156, Feonsler said, less commission he paid George H. Parker, a Western sales agent.

Albert T. Johnson, another accountant, testified that of $753,775 received for the sale of 89,000 shares of treasury stock, $690,910 had gone for selling commissions. The net loss of the company's operation of its various stations, he said, was $176,540 in three years.

## FIRE LOSS WAS HEAVY.

**Exceeded Year 9109 by $25,000,000—Non-Safety Match.**

New York, May 11.—All non-safety matches are condemned in a resolution adopted today by the National Board of Fire Underwriters. The board also adopted a resolution urging the enactment of laws to punish those who throw away glowing cigars or cigarettes near combustible material. Fire losses in this country last year exceeded those for 1909 by $25,000,000, according to report of a committee.

## SAVANNAH TO CHARLOTTE RUN.

**Greatest Automobile Event to Date—56 Contestants.**

Charlotte, N. C., May 11.—Dusty, begrimed and tired from their long trip over 200 automobilists in 56 officially entered cars drove into Charlotte late this afternoon on scheduled time, completing the Savannah to Charlotte endurance run, the greatest automobile event to date in the South's history.

As many cars escorted the contestants from nearby points in South Carolina to the finish, while thousands lined the home stretch to points within five miles of the finish to see and applaud them.

The primary purpose of the run is to shift the New York to Atlanta highway by way of Columbia, Augusta and Savannah. Incidentally the leading newspapers of the four cities interested offered handsome silver loving cups for the winners in the various classes. These will not be named until tomorrow. The visitors were netertained tonight at the Manufacturers' Club with a reception and dance.

## MUST SERVE LIFE TERM.

**Fate of Murderer of Alma Kolner at Louisville.**

Frankfort, Ky., May 11.—Joseph Wendling, convicted of the murder of eight-year-old Alma Kellner, must spend the remainder of his life in prison, according to a decision today by the Kentucky Court of Appeals, affirming the life sentence of the lower court.

After a chase which extended from Louisville to New Orleans, to Texas, finally ending in California, Wendling was arrested, tried, and convicted of the murder of the Kellner girl in Louisville on December 8th, 1909. Her mutilated body was found in the basement of the church where Wendling was employed as a janitor a short time after Wedling had fled from Louisville.

**MAKE MONEY.**

Here is an interesting story: Some time at your leisure sit down and make out a list of all the people you know, and estimate the amount of money each one earns in a year. **Total it up.** The amount will be surprisingly large. Now, of all those people only the few who save something really make anything at all. Simply Earning Money is Not Making It. What slips through the earning fingers is finally made by some one else. **Don't Forget That.**

Learn to Deposit your money in this bank. Use the check system. You will be surprised in a year how much money you spent for no benefit.

## DANIELS FOR WILSON.

**National Committeeman From This State Favors New Jerseyian.**

Washington, May 11.—The Washington Post Wednesday contained the following article:

"In the opinion of Josephus Daniels, editor of the Raleigh News and Observer, and Democratic national committeeman from North Carolina, Woodrow Wilson will be the Democratic nominee for the Presidency next year.

"Back from a trip to New York and points in the East, Mr. Daniels, who was manager of the publicity department for the Democratic National committee in the last Presidential campaign, says that everywhere he went he found Democratic sentiment favorable to the nomination of the New Jersey executive for the Presidency next year.

"All indications at this time point to the nomination of Gov. Wilson,' declared the North Carolina editor, 'and should the National convention meet today it would be overwhelmingly in favor of the nomination of the brainy New Jersey executive. This was the opinion frequently expressed by the editors and publishers from all parts of the country, who attended the meeting of the Associated Press in New York, and I have heard the same sentiment re-echoed among Democrats during my visit to Washington.

"'The party has strong men in Governors Harmon, Marshall, and Speaker Clark, any one of whom would make a splendid candidate for the Presidency, but it is plain that Woodrow Wilson is growing in popular favor among the Democrats throughout the country, who are beginning to regard him as the most available man that can be selected to make the race for the Presidency.

"'I was recently in New Jersey, and was impressed with the fact that there is much State pride in the suggestion of Dr. Wilson's name for the Presidency.

"'The trend of sentiment which is unmistakably centering upon the New Jersey Governor is due in large measure to the splendid record that he has made in the brief period that he has been in the executive office. No State executive has ever accomplished more in so short a period. Although progressive in his views on public questions, the people of the Nation have every confidence in the conservatism of Woodrow Wilson'."

A matter that is giving all members of Congress no little concern is the fact that they are in daily receipt of letters, or telegrams, inquiring why they have not introduced such and such a bill, (mostly of a local character), or asking that certain bills be introduced and acted on before the session ends. The Congressmen invariably answer that no legislation other than that outlined by the Democratic caucus at the beginning of the session will be enacted or attempted to be enacted unless something unforeseen happens. In most cases this answer is satisfactory to the person making the request, or inquiry, but some do not seem to take it seriously. It is a fact nevertheless. As is well known, this extraordinary session of the 62nd Congress was called by President Taft for the purpose of considering reciprocity with Canada. The Democrats of the House decided in caucus, however, to go further and act upon certain other legislation affecting the general welfare of the country, but limiting that to these specific subjects: Reciprocity with Canada, Direct election of Senators, some remedial tariff legislation, Statehood, campaign expense publicity.

H. E. C. B.

## CITY LEAGUE GAMES.

**W. L. I. and Y. M. C. A. and Boys' Brigade and Coast Line to Play.**

The baseball public is reminded that another doubleheader will be played in the City Baseball League tomorrow. The first game will be called at 3 o'clock and will be between the W. L. I. and Y. M. C. A., while the second will be called at 5 o'clock between the Boys' Brigade and the Coast Line. The teams have been practicing very hard, getting in shape and two good games should result. The line-up will be the same as last Saturday except the batteries and the strengthening of several weak points as were developed in the opening games. The admission is 25 cents to any part of the grounds with no charge for the grandstand. The league has gone to much expense in the improvement of the grounds and property and the games should be liberally patronized. There will be ample car schedules and the convenience and comfort of all patrons will be looked after.

## TAKEN TO HOSPITAL.

**Ex-Sheriff McLeod, of Robeson, Goes to Fayetteville for Treatment.**

(By Long Distance Telephone.)

Lumberton, N. C., May 11.—Mr. George B. McLeod, who has been confined to his room for several weeks past, part of the time extremely ill, was carried to the Highsmith Hospital in Fayetteville tonight where it is expected he will have to undergo an operation. He was accompanied by Dr. T. C. Johnson; his two brothers, Messrs. Alf. and Sandy McLeod, and three nurses. Hundreds of friends in this section and throughout the State hope for his speedy restoration to health. It will be remembered that Mr. McLeod was badly injured several months ago when an automobile in which he was riding was struck by a train near Raeford and it is thought that injuries received then have much to do with his present suffering.

## NEGRO FOR BURGLARY.

**Tried Before Rocky Mount Recorder and Bound Over to Court.**

(Special Star Correspondence.)

Rocky Mount, N. C., May 11.—In Recorder's court today, J. B. Little, colored, was bound over to Nash Superior Court, charged with burglary in first degree in that Sunday night he entered the home of Mrs. Bessie Proctor, while members of the family were away, and completely ransacked the house, stealing a pistol, watch, some money and wearing apparel. A party returning to the house while the burglary was in progress was fired upon by the negro. He was arrested by the police last night and a part of the stolen goods found on his person. The negro is a hardened criminal, appeared indifferent this morning and has several times served on the roads.

The Bronx. **

## NEWS AT WHITEVILLE.

**Dr. Maxwell Re-elected—Drought Doing Much Damage—Other News.**

(Special Star Correspondence.)

Whiteville, May 11.—The Commissioners have re-elected Dr. H. B. Maxwell, county physician for another year. It is understood that his duties will be largely increased and his salary fixed accordingly. He will be required to visit the different schools over our county, examine the children and see that they observe the laws of health. He will also visit the different farm homes and advise the inmates about proper sanitary regulations and have their drinking water examined and analyzed. This is an important mission and one that will do very great good.

The drought now upon the country is something fearful. Strawberries are drying up on the vines and shipments will soon end. Many farmers have already stopped picking. The earth is so parched that cotton can come up and the few plants that were brought up by showers have died down. It looks as if the cotton crop will be a failure, unless we have rains soon. Many bold streams have stopped running and all water courses have not been so low in a long time. Corn is looking well, as it came up before the drought set in. There will not be much fruit except apples. Pears have all been killed, but there may be a few scattering peaches.

The lady members of the civic league are doing a splendid work toward making Whiteville clean and beautiful. They are having all the back lots cleaned of trash, and making other needed improvements. The work of transforming our court house square into a park is now going on and the ladies will also have supervision of this work.

Mr. J. R. Williamson says his projected railway from Bladenboro to Southport is neither dead nor asleep, and arrangements are now being made to begin work. A number of parties are looking into land deals in that section below Whiteville.

The protracted meeting conducted in our town by Evangelist Black, of Charlotte, is being largely attended and doing good work. All the churches have united in conducting the meeting.

Mr. J. C. McCaskill, of Maxton, was in Whiteville yesterday. He had been in the lower part of the county looking after some land he owns. Mr. McCaskill is now 79 years of age and a very vigorous man. He says he built the first house in the town of Maxton. He is impressed with the future agricultural development of Columbus county and says he is ready to buy up any cheap land offered.——Mrs. Kate Brown, of the Orphan's Friend, of Oxford, N. C., is in town.

## MR. LUTHER CROMARTIE.

**Passed Away Near Garland, Wednesday—Last of "Old School."**

(Special Star Correspondence.)

Garland, N. C., May 11.—Mr. Luther Cromartie died at his home near this place yesterday. The deceased was aged and the last of his father's family and also the last of the "old school gentlemen" of his "clan." He was truly a landmark in this community. Mr. Cromartie was born in 1829 and was the son of James and Kate Taylor Cromartie. In 1700 William Cromartie, the founder of the Cromartie family in America, came to this country from Scotland. He made his home in this community and it was here that Luther Cromartie, grandson of William Cromartie, was born. In the same house in which he was born he spent all of his life and here his death occurred. In 1849 he was happily married to Miss Julia Curtis Cromartie, his cousin, and these two lived together for 60 years. By less than two years his wife preceded him to the grave. Mr. Cromartie was a farmer by profession and lived the comfortable life of a country gentleman. He was a Christian and a lifelong member of South River Presbyterian church. He was a man of intellectual mind and a great reader. His long, useful life falls as a benediction upon his children. He is survived by 11 children, 34 grand children and several great grandchildren. The funeral was conducted from the residence this afternoon and the interment was in the old family graveyard.

## WOMEN MEET IN NEWBERN.

**Attend Session of Foreign Missionary Society of this State.**

(Special Star Telegram.)

Newbern, N. C., May 11.—The annual meeting of the Woman's Foreign Missionary Society of the North Carolina Conference convened in Centenary church, this morning at 9:30 o'clock. Mrs. L. M. Hendren, presiuent, presiding. Two business sessions were held today, between which luncheon was served in the church basement by the ladies of the church. Tonight the address of welcome was made by Mrs. W. B. Blades, and responded to by Mrs. A. M. Gates. The entire day was taken up in reports of officers committees, etc. Last night a reception was tendered the delegates in the church parlors. More than one hundred delegates have already arrived and all are being entertained in the homes of the city.

## INCREASE OF $37,000,000.

**Wages of Trainmen In the United States and Canada.**

Harrisburg, Pa., May 11.—The wages of the trainmen in the United States and Canada have been increased $37,000,000 in a year according to the report made to the international convention of the Brotherhood of Trainmen today by W. G. Lee, president of the Brotherhood. This is the first statement to be made of the great wage increasing movement in 1910 and covered every section of the country President Lee's report was the feature of the day.

President Lee urged more safety devices and called attention to the importance of workmens' compensation acts, a bill for which is pending in the Pennsylvania Legislature and has just been enacted in New Jersey. He also reviewed the progress of legislation in other States.

"Play Ball."

## CHARLOTTE IN GALA ATTIRE.

**Annual State Firemen's Tournament Will be Held This Month.**

(Special Star Correspondence.)

Charlotte, N. C., May 11.—The "City of Electrical Energy" is taking on its holiday attitre in anticipation of the big event which will take place during the four days of May 16th, 17th, 18th and 19th.

Red, white and blue bunting is being hung in artistic festoon on the store fronts by professional decorators from Philadelphia, strings of electric lights are being put up all through the business district which will provide a brilliant illuminaton at night.

The work of constructng the large grand stand is well under way and will be completed in ample time to accommodate the immense throng of visitors who are coming to the grand celebration and Firemen's Tournament.

The work of re-surfacing South Church street is just about complete. This work has been done especially to provide the best possible condition of the street where the contests will take place.

The Governors of both North and South Carolina will attend and take part in the celebration.

Governor Blease will deliver an address on Thursday and on Friday Governor Kitchin will perform in a similar manner. Having the Governors in Charlotte at this time will prove a special attraction and will add very materially to the number of visitors who will attend.

The committees in charge of the various departments of the programme have reported everything in hand and predict a most satisfying occasion.

## DR. W. R. C. LATSON SUICIDE.

**Well Known New York Physician Shoots Himself.**

New York, May 11.—Dr. William R. C. Latson, a physician prominent in the Riverside Drive section, who was known to some extent outside of New York, through his many magazine articles on physical culture, was found dead late tonight on the floor of his office with a bullet wound in his neck. A revolver was found under his body and the report to the coroner's office was suicide. Dr. Latson was 40 years old and is said to be a member of a prominent family in Virginia.

A note left on the table in the doctor's office was addressed to "Mother and Bertie," and read: "I've done my best." It was signed, "Death."

Nothwithstanding this apparent evidence of suicide there were strange circumstances about the death which caused the police to start a thorough investigation. It was said that a young woman had emerged hatless and coatless from the apartment an hour before the janitor found the doctor dead.

## TRAGEDY AT JACKSONVILLE.

**Prominent Lawyer Killed as Result of Pistol Duel.**

Jacksonville, Fa., May 11.—W. C. Vaughn, a prominent lawyer, was killed, and Charles H. Johnson, a tin smith, probably fatally injured in a pistol fight in the former's office this afternoon. Johnson had called there to see Vaughn regarding a debt, it is said. Vaughn is supposed to have fired five shots after being shot through the heart, while Johnson fired four. There were no witnesses to the tragedy.

# The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds *himself* regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

***To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.***

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

*DAVID'S*

Copyr. by Hart Schaffner & Marx

MEN of all kinds, of all sizes, of all ages, come to us for clothes, and get just what they want. Men who can afford to pay any price they please; men who have to study economy; bankers, merchants, clerks, workingmen; they all find here the kind of clothes that are best worth buying.

**Hart, Schaffner & Marx**

clothes are made for men who want real value; there's economy in them; the kind of economy that means saving in what you get, more than in what you pay; the economy of service, style, good fit, of being well dressed; the real economy. These clothes cost just enough to be good; you'll be surprised at how little they cost, compared with how good they are.

Let us show you the new suits; some very smart styles; some beautiful new weaves and colorings.

Suits, $18 and up.

Suits made to order, $18.00 and up; workmanship and fit guaranteed.

The Best Shirts in the World (Manhattan and Eclipse) $1.00 to $3.50. Neckwear, Underwear, Etc., equally high-class.

*THE A. DAVID COMPANY*

This store is the home of Hart Schaffner and Marx Clothes.

THE MORNING STAR

Published by the WILMINGTON STAR COMPANY, INC., Wilmington, N. C.

Entered as second-class matter at the postoffice at Wilmington, N. C., under Act of Congress, March 2nd, 1874.

FULL ASSOCIATED PRESS REPORT.

PUBLISHERS' ANNOUNCEMENT.

THE MORNING STAR, the oldest daily newspaper in North Carolina, is published daily except Monday, at $6 per year, $3 for six months, $1.50 for three months, 50 cents for one month, served by carriers in the city, or by mail.

THE SUNDAY STAR, by mail, one year, $1; six months, 50 cents; three months, 25 cents.

ADVERTISING RATES may be had on application, and advertisers may feel assured that through the columns of this paper they may reach all Wilmington, Eastern Carolina and contiguous territory in South Carolina.

Obituary sketches, cards of thanks, communications espousing the cause of a private enterprise or a political candidate, and like matter, will be charged at the rate of 10 cents per line, or if paid cash in advance, a half rate will be allowed. Announcements of fairs, festivals, balls, hops, picnics, society meetings, political meetings, etc., will be charged under same conditions, except so much thereof as may be of news value to readers of the paper.

Advertisements discontinued before expiration of contracts are charged transient rates for time actually published. Payment for transient advertisements must be cash in advance. Contract advertisers will not be allowed to exceed their space at same rates or advertise anything foreign to their regular business without extra charge. Advertisements to occupy special place will be charged for according to position desired.

TELEPHONES: Business Office, No. 51; Editorial and Local rooms, No. 61. Call either, if the other doesn't answer.

COMMUNICATIONS, unless they contain important news, or discuss briefly and properly subjects of real interest, are not wanted; and if acceptable in every other way, they will invariably be rejected unless the real name of the author accompanies the same, not necessarily for publication, but as a guarantee of good faith.

Friday, May 12, 1911.

Our friend Frisky I. Madero evidently has not been reading up on the peace movement.

The man who has to eat his own words is not in the same class with a man who will stand up and chew the rag.

Our Mexican neighbors ought to "get together" in a different way to that which was witnessed at Juarez during the past few days.

The Washington Post gives this Summer vacation tip: "It costs only $3.77 for one month's board in Occuquan." Yes, but who would want to pay that much to stay in Occoquan for a month?

The Atlanta Journal observes: "We are pleased to note that it has been impossible to bring side whiskers back in style." Nevertheless, the soup plate can still be mopped out by the Mormon style of narrow chin whiskers.

The Baltimore Sun, of May 9th, welcomes the Daughters of the Revolution, who are holding their 29th annual convention in that city this week. This is proper recognition of the descendants of insurrectos who made good.

It is hardly thought that Canada will be ready to act on reciprocity before December. This will give the United States Senate plenty of time to find some more excuses not to act hastily upon what a Democratic House acted upon in a jiffy.

A New York doctor who suddenly disappeared nine years ago has returned and refuses to make any explanation. No doctor who knows his business would ever think of giving himself away just to satisfy idle curiosity. "A still tongue shows a wise head."

The authorities of Radcliffe College have decreed that the girl students shall not wear frills and furbelows. Those tyranical authorities are entirely mistaken if they think for a minute that Radcliffe girls have the least idea of appearing like they had just landed from Noah's Ark.

It is announced that Henry Payne Whitney is going to the frozen North to search for Dr. Cook's polar records. While he is on this wild goose chase he may as well put in part of his time endeavoring to find the end of the rainbow, where he can recover that long lost pot of gold.

The Memorial Day oration in Greensboro was delivered by Col. Robert Edward Lee, grandson of the illustrious Gen. Robert Edward Lee. What memories that must have recalled to the Confederate veterans who belonged to the great army which shares the fame of its immortal commander!

The recent movement for the merger of the yarn spinners at Charlotte, leads us to doubt whether the yarn spinners on those Charlotte papers can ever succeed in getting together on that tough Charlotte yarn about a cat which has become the mother and protector of a brood of newly hatched chickens. Charlotte is getting celebrated for its tough yarn spinners.

On Sunday at Salisbury, Rev. Leo W. Collins, pastor of Grace Methodist church, of Winston-Salem, preached in a Salisbury church upon the subject of "The Man Who Looks On." If they could have been there to hear the pointed discourse of the preacher, he would have had most all of the men of the town in his audience. However, they do not look on going to church as a part of their duty. Generally, they are not the men who take a hand in anything.

## INTOLERANCE OF OPINION.

A few years ago, Prof. Bassett, then professor of History at Trinity College, in our own State, made the statement that Booker T. Washington was the greatest man the South has produced since George Washington. Tender susceptibilities were touched, the papers took it up, and a popular furor was the result. Although Prof. Bassett was probably the only man in the South who felt just that way about it, the Board of Trustees of Trinity College sustained him on the ground of the rights of private judgment and free speech. More recently, in Florida, there has been similar agitation. Because Prof. Banks, of the State University of Florida, used Elson's "A History of the United States," and wrote an article for The Independent, maintaining that slavery was an economic curse to the South, Prof. Banks has lost his position. The Atlanta Constitution thinks this a disgrace to the State and speaks out boldly for educational freedom.

The objection to Elson's history is on account of certain passages referring to the history of slavery. Unfortunately, no history of the South can be written so that subject can be left out, and there were certain phases of it that Southerners do not relish in connection with that part of history. These conditions were in no wise a part of the institution of slavery, but they were incidents during the slave-holding era. They were isolated incidents and were not general, and yet the historian, while perhaps displaying poor judgment and even bias, is at liberty to touch upon them. He may do so under the conviction that he is "keeping history straight," however unpalatable it may be, but it is not for the reader of history to say, but to read and reject and refute.

It might be true that no history of slavery would be complete without lugging in some conditions exploited by Elson, and from choice we would prefer to have seen certain passages eliminated, but while we condemn the history from our standpoint it is no part of tolerance to hold a college or its staff responsible for what an author writes. To visit punishment on account of even a difference of opinion on disputed points in history is not the broad spirit that should prevail. History generally is written two ways. There is one side and the other side and it is for the student to read and investigate and come to a conclusion.

While, from Elson's viewpoint, as he saw history, he has written what he thought ought to be a part of the history of slavery, yet we think he was in error in making certain social conditions a feature of slavery. However, we do not see the consistency in accepting Tom Dixon's "The Sins of the Father," while going into a furor over history written with a view to making history complete, as Elson saw it. What Elson has put in a few passages of history, Tom Dixon has dramatized, and in our opinion "The Sins of the Father," will do more to misrepresent the South in history than Elson's version of it. Both have taken isolated instances, not by any means common to slavery, and while Elson draws the ugly picture, Dixon throws around it the glare of the footlights. If we are to condemn Elson, let's quit packing the theatres to witness the theatrical performance of the indelicate and misrepresentative production of a Southern author.

Through the courtesy of Dr. J. A. Morehead, president of Roanoke College, of Virginia, there has come into our hands his recent article, discussing a similar agitaton in connection with the institution over which he presides. It seems that a trustee discovered some passages in Elson's history, used in the advanced course of American history at Roanoke College, that were objectionable to him. His mind became inflamed. Without requesting a meeting of his co-trustees, he took the grave responsibility of making, in a letter, an assault upon Dr. Thorstenberg, professor of History in Roanoke College, demanding that he should discontinue its use as a text book. The college refused to yield to dictation in the matter. The result was a very excited state of feeling and much agitation in the Virginia and Northern papers.

All examples of this kind are evidences that men think and have the courage to speak in the South. They are signs of progress. Virgina is to be congratulated upon the fact that, while they discontinued the use of the text book for the present, as a matter of tact, the trustees of Roanoke College have emphatically sustained their professor of History and Social Science. It is good to have such examples of courage among the institutions of the South.

It occurs to us that the author of the agitation and his sympathizers have made several serious mistakes. For example, such action on the part of a trustee as making an issue with a professor outside of a regular meeting of his fellow trustees is well nigh unthinkable. Again, in college or university work, where methods of scientific investigation are used, we find an essential difference in comparison with the work and means of work in schools of a lower grade. In grammar schools, and, to a considerable extent, in high schools, memory work predominates; while in college and university work, the reason is the active faculty.

The position of Dr. Morehead in regard to the necessity of making the truth supreme is unassailable. The South will never make the progress she deserves, in view of her almost unlimited resources, unless we have fearless thinking, broad and careful study, and free discussion. The man who stimulates a people, even though it be by the extreme statement of half truths, to interested study and mastery of any subject, is a public benefactor. The best friend of any righteous cause or of any class of deserving men or of any true principle, is the unbiased scholar. The fullest and freest investigation and liberty of speech in the discussion of industrial, social, and educational progress should be invited and respected in the South.

No broad-minded Southern man, for we are true Americans, can fail to deprecate sectional agitation and heartily agree, as Dr. Morehead says, with the noble sentiments of Robert E. Lee: "Abandon all these local animosities and make your sons Americans."

## SOUTH'S RAW MATERIAL.

A number of Southern Democratic newspapers are raking Senator Bailey, of Texas, for standing out against putting raw materials on the free list. We infer that Bailey has considered and re-considered, and figured it out, that with the South's raw material dumped into the free list, while Northern manufacturers and consumers of our raw material are highly protected on what they make out of our lumber, hardwoods, and other raw materials, the free list looks awfully good to the manufacturer who wants his raw material cheaper. A school boy, much less an editor, can figure out who would throw up their hats for free raw material. Senator Bailey thinks while some editors think they think.

The whole truth of the business is, the South ought to convert its own raw material into the finished product and get the benefit from both the raw material and the manufactured articles made from them—whatever they are. It makes no difference what they are, these articles should be manufactured right where we have the raw material.

Even if raw materials are protected, the South ought to do this with her raw material, and if they are put on the free list there are from five to ten more reasons why the South ought to manufacture her raw materials. These reasons are furnished in the fact that the finished products are worth from five to ten times more than the ram materials. The South right now is selling raw materials for a certain price and paying back from five to ten times that price when the raw material is manufactured and shipped back to us in the finished products.

How many editors think the South can get rich off its raw materials at such a rate of exchange as that? The free list for raw materials might look cute if what is manufactured from them is also put on the free list. Otherwise, a school boy can figure out who will get it in the neck.

Either place both the raw materials and the finished products on the free list, or else equalize whatever tariff is put on both for either revenue or protection, if there is any protection to be ladled out. The thing will not then be one-sided, lop-sided or unfair. In any event the place where the raw material is produced is right where it ought to be manufactured. If the raw material is produced in the South manufacture it at home and make the other fellow pay for the raw material and the finished product. Try it and watch for more prosperity in the South.

Wilmington is furnishing a good object lesson in this connection. The Tidewater Power Company, operating the Wilmington trolley system and the suburban railway, nine miles to to Wrightsville Beach, is manufacturing some if its own cars. The lumber and timber is utilized here where it is produced and converted into cars at a profit, instead of being shipped to Philalelphia to be made into cars and brought back to the starting place. In the example of the enterprising Tidewater Power Company the money for material, freight and labor is kept in Wilmington. Even should the cars manufactured in Wilmington not prove much of a saving to the home manufacturers, Wilmington gets the benefit. However, the Tidewater Power Company knows what it is doing, for it has in charge of its business experts and men of the capability necessary to handle this proposition. Wilmington can do more of this kind of business if it tries. The South can do the same.

Says the Raleigh Times: "Show us a country's roads and we will tell you the kind of people in the county." Of course, we are mighty sorry people have to be judged by the kind of roads they have, but there is no way out of it unless they can manage to keep strangers from trying to travel through their county.

The man who would rather be right than President needn't wait to be President to be right.

## CURRENT COMMENT.

And around about the first of July many Congressmen will begin to look upon Washington as "The Melting Pot."—Philadelphia Inquirer.

Should Congress insist upon passing the Summer vacation season in Washington it would exhibit considerably more zeal than discretion.—Chicago News.

Quit sweeping your trash and throwing all kinds of rubbish on the streets and sidewalks unless you expect to clean it up at once. Where were you raised?—Wadesboro Ansonian.

The police are to be commended for the blotter system, which keeps many unnecessary cases out of the recorder's court and also reduces the city's crime statistics.—Atlanta Journal.

Our friend, the Morning Star, had the annual meeting of its stockholders and subsequent session of directors yesterday, and a fine showing was made for the splendid daily. All reports were most gratifying and steps were taken for even further improvement. The Star is already a fine paper, and it grows more vigorous and more attractive with age.—Wilmington Evening Dispatch.

"Wilmington," says the Morning Star, "has been talking bridge over the Northeast river at Castle Haynes long enough to build five bridges. Why is that bridge not built while the people of New Hanover and Pender counties are anxious to be connected? For some reason or other, development in both counties is held in abeyance." Come up to Charlotte and get a tip from Mecklenburg and Gaston counties.—Charlotte Chronicle.

The Daughters of the Revolution, who will begin their 20th annual convention here today, are cordially welcomed to Baltimore. They will find here one of the most historic and interesting cities in the country, once the meeting place of the Continental Congress, and connected in many ways with the Revolution. They can trace the footsteps of Washington, of Carroll of Carrollton, and other patriots who aided in founding our government. The troops of the Maryland Line, who time and again saved the American army from defeat, both in the Carolinas and in the North, and many Maryland names are on the roll of honor of the Revolution. Our statues and monuments commemorate their deeds, and their spirit survives in their descendants. The Daughters will dedicate at Annapolis this week a handsome memorial to the sailors of the Revolution, who have received all too scant recognition of their part in the war that confirmed our independence. These charming, energetic and patriotic women from many States will find the doors of the city wide open to receive them and a hospitality that has survived from the generous times of Washington and Carroll and John Eager Howard.—Baltimore Sun.

## FINAL DAY OF SHOOT.

### Inter-State Event at Charlotte—Winners Were Announced.

Charlotte, N. C., May 11.—At the close of three days' shoot marked by perfect weather, the sixth annual tournament of the Inter-State Trapshooters' Association came to an end this afternoon. The diamond studded Southern handicap medal the most coveted honor in the gift of the association, was won by W. T. Leslie, of Tuskegee, Ala., with a score of 94 out of 100. This event was open only to amateurs. The handsome $500 loving cup offered by the Chamber of Commerce of Columbus, Ga., awarded to the amateur maintaining the highest average in all the events, went to J. R. Graham, of Long Lake, Ill. This trophy must be be won three consecutive times to become the personal property of the winner. The Buford Hotel loving cup was won by W. F. Hall, of Richmond, Va., in doubles. The meet brought to Charlotte over a hunderd of the foremost marksmen of the country, from Maine to Texas, and the Rocky Mountain slope east.

Young Mothers

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both she and her coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles and tendons, involved, and keeping the breasts in good condition, brings the woman to the crisis in splendid physical condition. The baby too is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores. Write for free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

## CHILD LABOR COMMITTEE.

### Will Go to University to Hear Hon. Woodrow Wilson.

(Special Star Telegram.)

Raleigh, N. C., May 11.—At a meeting of the North Carolina Child Labor Committee tonight it was decided to call a special meeting at Chapel Hill one day of the University commencement week on which Hon. Woodrow Wilson is to speak there, for the purpose of re-organizing the committee. Prominent cotton mill men will be invited to attend this meeting. Leaders of the movement in this State believe they have plans for progressive child labor legislation that will meet the approval of the cotton mill men generally in this State.

J. S. Carr, Jr., a prominent manufacturer at Durham, has accepted a place on the committee and was here for the conference tonight with Editor Clarence H. Poe, of the Progressive Farmer, acting as chairman of the committee.

PEORIA LADY'S ROSY CHEEKS

Husband Says She is Like the Little Girl He Married, Since Taking Cardui, the Woman's Tonic.

Peoria, Ill.—"I am a different person," writes Mrs. H. A. Harper, of 317 Prairie street, Peoria, Ill., "since I began to take Cardui, the woman's tonic.

"Before taking Cardui I suffered miserably for a year, with dragging pains, which were so painful that at last I could hardly walk, and laid in bed most of the time.

"I had headache, was irregular, my complexion was dirty and my face blotted with large brown spots.

"Since taking Cardui I have found relief, don't have the headache like I used to, am regular, my color is clear, and I am a different person.

"My husband says I look like the little girl he married, with my rosy cheeks."

Every lady wants to be young and pretty and the healthier you can keep yourself, the younger and prettier you will look.

Don't take drugs or powerful medicines. That is not the way to keep well.

The natural way, the safe way, the sensible way, is when you feel a little out of order, to take Cardui, the woman's tonic. This is not a powerful medicine, with possible dangerous after-effects, but a mild tonic, prepared from harmless vegetable ingredients that can do nothing but good.

Your druggist knows. Ask him.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for special instructions, and 64-page book "Home Treatment for Women," sent in plain wrapper, on request.

## EXECUTOR'S NOTICE.

Having qualified as executor of William Goodman, deceased, late of the County of New Hanover, State of North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them to the undersigned on or before the 6th day of April, 1912, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

BERNHARDT GOODMAN, Executor.

## MR. CORBETT NEW PRESIDENT

**No Official Announcement, But His Eleetion to Head Chamber of Commerce Is Assured—Annual Meeting Today.**

While the official announcement of the election of officers of the Chamber of Commerce is withheld until the anncal meeting today, it is assured that Mr. M. J. Corbett, one of Wilmington's most progressive and best known business men, and Mr. Louis E. Hall, also a popular and active member in the organization, will be the choice for president and vice-president, respectively.

Members voted lively at the Chamber yesterday, but on account of the postponement of the annual meeting until today President Taylor requested that the official declaration of the result be withheld. The names of the two active members, who are assured of election were posted on the board and placed in nomination several days ago, and it was known that they were generally favored for president and vice-president. Before the voting began yesterday Mr. W. B. Cooper was placed in nomination for president and Mr. C. N. Evans' name suggested for vice-president of the organization. It is known that they received support in the election, but the elections indicated are practically assured.

Those voted upon yesterday in classes A. and B., for the Executive Committee, out of which three are chosen, are as follows: Messrs. R. A. Parsley, J. H. Rehder, J. W. Brooks, J. VanB. Metts, J. S. McEachern, R. A. Brand and M. F. H. Gouverneur. Those nominated in Class C., out of which two are elected are: Messrs. H. deW. Rapalje, C. W. Polvogt, L. Stein, I. Shrier, J. J. Blair, J. M. Solky, F. W. Dick and W. J. Craig.

As only three names were suggested to compose the Committee on Elections, doubtless they were elected and are as follows: Messrs. A. B. McNair, Clayton Giles, Jr., and W. B. Thorpe.

At the annual meeting today, which will be presided over by the retiring president, Mr. J. Allen Taylor, who has been executive head of the organization for a number of years, important matters will come up for consideration, and it is desired that all members of the organization be present. The large number of new memticipate in the meeting today. The membership, are also expected to participat in the meeting today. The regular annual business will be transacted.

Eighteen more applicants for membership were received at the Chamber yesterday, and will likely be acted upon today. With those adued the Chamber of Commerce will have over 200 members.

### OUT OF REACH OF TUGS.

**Efforts Being Made to Save Tug Emily B. Ashore Near Wrightsville.**

Stuck hard and fast on the beach, eight miles north of Wrightsville, the tug Emily B., recently purchased by the East River Lumber Company, and which was being brought down from Norfolk for service on the Cape Fear river, was found to be out of the reach of the tugs yesterday and other means to save her will have to be resorted to.

The tug, which is reported to have been driven ashore during rough weather is at Rich Inlet and the tugs are prevented from getting in distance to aid on account of a nearby reef. Wrecking material to be used in getting her off was sent down to Wrightsville yesterday on a railroad car and will be carried to the scene in small boats.

While the tug is now leaking and in a dangerous position, it is believed that if the weather continues favorable there is a chance to save her. The tug was bought from a Norfolk company, is 60 feet long, and was built nine years ago.

### "THE BRONX."

**Latest and Most Promising Suburban Development Near the City.**

"The Bronx" is the latest and most promising of the several suburban developmental enterprises that have recently been undertaken. Passengers on the suburban line and on the Wrightsville and Castle Street turnpikes have recently noted a large force of hands at work clearing away and improving that most desirably located tract of land immediately at the intersection of the Castle street boulevard and the suburban line of the Tidewater Power Co. It is understood to be the purpose of the owners of this valuable property to cut the tract into desirable building lots and to place them on the market at most attractive prices and terms due notice of which will be given. Many of these lots face the boulevard and the car line with an intersecting street. On the lot has been placed the largest wood sign ever displayed in Wilmington. It is by the Southern Sign Shops and should be seen for its size and for the interesting announcement which it bears.

**Steamer Again on Run.**

The steamer Wilmington, which met with an accident the first of the week and was detained a short time while repairs were being made, resumed her regular trips between this city and Southport yesterday. The steamer Madeleine, market boat of Fort Caswell, and the Gen. G. W. Getty, of the Quartermaster's Department, have both returned from Georgetown and Charleston, respectively, where they received overhauling.

**A Burglar's Awful Deed**

may not paralyze a home so completely as a mother's long illness. But Dr. King's New Life Pills are a splendid remedy for women. "They gave me wonderful benefit in constipation and female trouble," wrote Mrs. M. C. Dunlap, of Leadill, Tenn. If ailing, try them, 25c at R. R. Bellamy's.

**"The Baby of the Boarding House."**
Screaming comedy. Grand Theatre today. **

## MANY MATTERS CONSIDERED

**The City Council in Session for More Than An Hour Yesterday Afternoon—Next Meeting on Saturday Afternoon.**

With Mayor Joseph D. Smith presiding and all the other Councilmen in attendance, also the clerk, Capt. Thos. D. Meares, City Attorney Herbert McClammy and a few spectators, the City Council met in special session at the City Hall at 5 o'clock yesterday afternoon and a number of matters were considered and acted upon, but none of any great interest or importance. The next meeting will be held tomorrow afternoon at 4 o'clock.

It was thought that at the meeting yesterday the salaries of the City Clerk and Treasurer, Tax Collector, Chief of Police, etc., would be fixed as this was the time set by Council for action, but the matter was not even mentioned during the meeting. When the meeting adjourned, a representative of The Star reminded Mayor Smith that Council did not consider salary question and asked if there had been any postponement of the matter. Mayor Smith replied that the matter would not be consided until something more definite was heard with reference to the recall, rumor of which caused so much talk Wednesday. Councilman Tiencken and Clerk and Treasurer Meares, who heard the inquiry, explained that the Council had agreed informally not to take action with reference to salaries until the budget is made up and the tax ordinance considered.

Soon after the meeting convened yesterday afternoon Councilman B. C. Moore said that he wanted it understood that he was not in favor of reducing the license tax which may be exacted on carnivals, recalling that the Council required John R. Smith to pay only $100 when $200 could have been collected, owing to the fact that when Mr. Smith decided to come here he was informed that the tax would be only the amount charged. Other members agreed with Mr. Moore that under ordinary circumstances carnivals would be charged as much as could be collected from them.

A communication was read from Dr. Wright Hall with reference to the improvement by him of the sidewalk in front of his property. The Council stopped this work Tuesday afternoon, but a few minutes later notified Dr. Hall that a special engineer had been authorized for the purpose of establishing the proper grade and that the work might proceed. In his communication Dr. Hall said that he had stopped work as ordered and that the material which he had purchased and placed upon the property was at the disposal of the city at actual cost. Upon motion of Councilman B. C. Moore the clerk was instructed to advise Dr. Hall that the material must be removed from the streets unless he should decide to continue the improvement of the sidewalk. The city will not buy the material.

The clerk then read a communication from Mr. R. W. Curtis, president and manager of the Southern Construction Company, of Burlington, which had the contract for the erection of the bridge over the Coast Line tracks at Sixth street, who left the city about two weeks ago after the work had been started. The communication told of the alleged unreasonable requirements of the city engineer in the matter of the material for the bridge and also called attention to his alleged delay in approval or plans for the structure, thus causing the bridge company such delay and additional cost that the bridge could not be completed within the time specified and without a loss to the company. Mr. Curtis thought that the Council should give the bridge company some extra compensation on account of the hardships worked by the city engineer. The Council did not think any additional compensation should be given and instructed City Attorney McClammy to answer the communication. The company in which Curtis gave bond declined to exercise its option and take up and build the bridge. It was stated at the meeting that the city had paid something on the bridge after notifying the bonding company that Mr. Curtis had failed to comply with that part of the contract which required the completion of the building by a certain date, therefore it was doubtless if the bonding company could be made to make good any loss the city might sustain.

With reference to the proposition of Capt. J. W. Harper, owner and master of the steamer Wilmington, to rent the foot of Princess street for a year at an annual rental of $120, City Attorney McClammy, to whom the matter had been referred, read to the board Section 8, Page 5, of the law creating the commission and defining its powers, and stated that the renting of the dock would come within the meaning of the section, therefore, it would be necessary to submit the matter to a vote of the people before any lease could be given.

Chief of Police Fowler reported on the application of a negro to conduct a restaurant in Kidder's alley to the effect that it was not a good location for a restaurant as it is too remote. The Council declined to grant the license.

The clerk read a communication from Mr. John Haar, clerk of the County Health Committee, asking for a joint meeting with the City Council or a committee from the Council for the purpose of discussing matters pertaining to health and sanitations. The meeting will be held this afternoon at 4 o'clock if it is convenient for members of the county board. It is understood that at this meeting the matter of consolidating the county and city health offices will be considered.

The Council voted to hold the regular weekly meeting of the Council on Tuesday afternoons at 4 o'clock. Councilman M. G. Tiencken offered the following resolution, action on which was deferred: "That the tax collector be instructed to collect on all delinquent taxes, the costs accrued on same and 10 per cent. flat of the amount due in satisfaction of interest."

A communication was read from Eugene S. Martin, Esq., chairman of the board of trustees of the library, with refernce to the new law regarding the library. Among other things the writer said that he thought the librarians should be elected by the trustees, but if Council thought differrently he would recommend the election of the present very capable librarians, and also urged that the Council appropriate not less than $1,700 annually, as at present, for the support of the library, and stated that more books could be purchased each year if the amount was increased. It was the sense of the Council that the trustees name the librarians, the appointments to be confirmed by the Council. The new regulations, suggested by Mr. Martin fashioned after the old ones, were adopted.

His opinion being asked, City Attorney McClammy stated that the Aldermen would be entitled to draw full pay for the last quarter, ending June 1st, as the law under which they served said that they should receive $100 a year and the fiscal year began June 1st.

Councilman Tiencken stated that he appeared before the Clearing House Association a few days ago and asked the members to submit bids for the city deposits on and after June 1st, stating that he thought it would be folly to disturb the city money before that time, as interest for the month would be lost.

Mayor Smith called attention to the cool drink business on Sunday at the stores and joints in the outlying districts, with particular reference to Seventh street, where much disorder is reported on Sundays. Councilman Tiencken asked if there were not laws against Sunday selling and being answered in the affirmative, he said that the law should be enforced. Councilman Moore, in charge of the Department of Public safety, said that he and Chief of Police Fowler and Assistant City Attorney Peschau would confer with reference to the law.

Councilman B. C. Moore said that he thought the bond of Capt. Thos. D. Meares, City Clerk and Treasurer, too small for the amount of money he has to handle. The retiring Clerk and Treasurer was required to give a bond of about $700,000, while the bond of Mr. Meares was fixed temporarily a. $20,000 a few days ago. Mr. Meares said that he would give bond in any sum the Council desires. This will be settled upon later.

After the adoption of the following resolution, Council adjourned until Saturday afternoon: "Resolved, That the sinking funds in the hands of the chairman of the sinking fund be paid over to the Commissioner of Accounts and Finance, who in turn is instructed to turn the same over to the City Clerk and Treasurer of the City of Wilmington, who is instructed to deposit the same as is directed by law and any funds belonging to this fund is directed to be placed in a deposit safety box in the vault of some bank approved by the City Council, and the same not to be opened except in the presence of the Commissioner of Accounts and Finance and the Mayor, one of the Councilman and the City Clerk and Treasurer. A copy of this resolution is to be served upon the bank designated."

### GETTING OCEANIC READY.

**Work Begun Yesterday — Employes Arriving — Home Products.**

With the arrival yesterday of several of the staff of assistants at the Hotel Oceanic, at Wrightsville Beach work has begun putting this nostelry in first-class shape for the opening of the season on June 1st. Manager Chas. E. Hooper is enthusiastic at the outlook and the season promises to be one of the most successful in years. Mrs. Hooper arrived yesterday and Mr. Hooper will be here in a few days.

Everything is to be made bright new and attractive and the Oceanic management is proceeding along the line that "nothing is too good for our patrons" and nothing is better than the home product. Accordingly the contract for all the interior painting was given to the Atlantic Paint & Varnish Co., of this city. This paint was accepted on account of the quality and price in competition with all the best known and most extensively advertised paints on the market. Every ounce of the paint to be used will be made right here in Wilmington.

### THE DROUGTH UNBROKEN.

**Both Truck and Staple Crops Are Suffering for Rain—Beets.**

Reports from counties tributary to Wilmington are to the effect that much damage is being done both to truck and staple crops by the drought which has been unbroken for a long time. Cotton that has been planted and is up is parched and seed in the ground is suffering for moisture to start germination. Replanting in some places is said to be imperative. A report from Whiteville is that strawberry plants are also suffering for rain; that the fruit is drying up on the fine and not much is making for a second or crown crop, which is always very fine.

In the immediate section of Wilmington beets and other vegetables are faring badly and rain would be a welcome relief to the growers. Beets are just now beginning to go forward and the prices are very satisfactory. C. P. Tatum & Co., of Baltimore, yesterday sold some of the East Wilmington product for six cents per bunch, or $6 per crate.

**Two Small Fires Yesterday.**

The fire department was called out twice yesterday afternoon. The first alarm came at 1:15 o'clock from box 55 and was on account of a small blaze at No. 816 South Ninth street, owned by Mr. T. J. Gore and occupied by Henry Davis, colored, caused from a spark from the chimney. The damage is estimated at $5. At 7:12 an alarm was turned in from box 34 and called the firemen to 602 Walnut street, house owned and occupied by the Misses Johnson. A coat on the back of a chair in front of the fire place caught fire. The damage was trivial.

Screaming comedy. Grand Theatre today. **

## NOW READY FOR CIVIL CASES

**Criminal Side of Federal Court Docket Disposed of Yesterday—J. W. Ward, of Brunswick, Gets Year and Day.**

Having disposed of all the cases on the criminal docket in the four days the sessions have been in progress, United States District Court for the Spring term completed its work yesterday afternoon, and this morning the United States Circuit Court will take its place and civil matters will be heard. There are a number of civil matters on the calendar but there is no telling which cases will be heard at this term.

A number of whiskey cases were disposed of yesterday and Judge Connor gave those convicted pretty stiff sentences to the Federal prison in Atlanta, Ga. The case of most interest in Wilmington and this section was against J. W. Ward, an aged white man of Brunswick county, residing near Leland, who was charged with illicit distilling. Among the witnesses were United States Deputy Marshal C. O. Knox, Deputy Sheriff Harvey Cox, Constable W. B. Savage and United States Commissioner George Harriss. The officers testified to making a raid on the defendant's place a few weeks ago and finding a still which had been running in full blast and a quantity of beer and whiskey. They also told of a path leading from the still to the home of the defendant, a short distance away. The defendant denied the charge and he had several witnesses. One of the witnesses testified that he had worked within 25 yards of the still for the past two months and saw no evidence of the operation of the plant, while another witness explained that the path spoken of by revenue officers and other government witnesses had been there for five years to his certain knowledge.

The jury was out only a short time, returning a verdict of guilty, and defendant was given a sentence of one year and one day in the Federal prison in Atlanta, Ga. He was represented by Wm. J. Bellamy, Esq.

Henry Tyson, of Columbus county, charged with retailing, got three months in jail, and was fined $100 and costs. Strickland Locklear, of Robeson, was found guilty of retailing and given 18 months in the Federal prison in Atlanta, and fined $100 and costs. Buck Clewis, of Robeson, convicted of retailing, received a sentence of one year and one day in the Federal prison and was fined $100 and costs. Sam McLean, of Robeson, got one year and one day in the Federal prison and a fine of $100 and costs for retailing. Henry McNair, of Robeson, was found not guilty of retailing. Mell Hickman, of Brunswick, for retailing, got 18 months in the Federal prison, Will Bunk and Wm. Fields, of Robeson, submitted to a charge of retailing and got 60 days each in jail.

### FAILURE TO FURNISH LIGHT.

**Suit Brought Against Tidewater Power Co., for $2,000 Damages.**

Suit was instituted in Superior Court yesterday by J. R. Smith, owner of the J. R. Smith Carnival Shows, against the Tidewater Power Company, for alleged damages for failure to furnish electric lights during the week at the carnival grounds at Fourth and Castle streets. While the complaint has not yet been filed, it is understood that damages in the sum of $2,000 will be asked. K. C. Sidbury, Esq., represents the plaintiff. The plaintiff will allege that lights were cut on Monday and were used Monday night, but that on Tuesday he was presented with an exorbitant bill, $140, for the lights for the week, and that he refused to pay the amount, which, he claims, was many times greater than what he paid on former visits and what he understood he would have to pay this time. He will contend that upon failure to pay the amount of the bill the lights were cut out and that his business has been damaged to the extent of the amount of damages sought.

### RIVENBARK ARRESTED.

**White Man Who Escaped Officer Recaptured Yesterday Afternoon.**

Luther Rivenbark, the young white man, who made his escape just after being arrested in his own home a few weeks ago on the charge of abandonment and non-support and assault upon his wife, spending most of the time intervening in Petersburg, Va., was arrested at 10th and Princess streets yesterday afternoon by Deputy Sheriffs Kelly and Temple, and in default of bond was committed to the county jail to await hearing before Justice Harriss this morning. Soon after leaving here Rivenbark is said to have gone to Petersburg, where he engaged in work, returning to Wallace, where his father lives, Friday afternoon, and coming on here a day or two later and was packing up his household effects, preparatory to moving, it is said. His wife came down a few days ago to withdraw the warrants, but the warrants were not withdrawn.

**Opens Business in This City.**

Mr. A. Sellars gives notice that he has opened a retail grocery store and will conduct a general commission merchant business at 501 North Fourth street. He solicits the patronage of the public and is in position to handle all consignments promptly and with satisfaction.

### CARD OF THANKS.

I wish to express the thanks of our family to many kind friends, both white and colored, who ministered to my grandson, Charlie Nixon, who died suddenly at Front and Princess streets Thursday night, April 27th. Although his death was sudden and unexpected and we were not present, the kindness and attention shown by all to ease his last moments touched our hearts and we make this expression of our gratitude. ## ARCANIANS HAD JOLLY TIME

**Celebration Last Night of the Tenth Anniversary of the Founding of Carolina Council—Banquet Served.**

Marking the 10th anniversary of the founding of Carolina Council, Royal Arcanum, members of the order participated in a most enjoyable banquet in the banquet hall of the Masonic Temple last night. Besides members of Carolina Council, there were present officers of Cornelius Harnett Council. There were a number of interesting short addresses dealing with the work and objects of the order and they were helpful and inspiring.

Mr. H. E. Bonitz, ex-Regent of North Carolina, and one of the Supreme Representatives to the Supreme Council, presided as toastmaster with his usual dignity and grace. Among those who made short addresses during the evening were: Dr. S. Mendelsohn, treasurer of Cornelius Harnett Council, and Grand Chaplain; Mr. J. Weil, Grand Representative for Cornelius Harnett Council; Mr. W. J. Toomer, Grand Representative for Carolina Council; Mr. L. D. Latta, Past Regent of Carolina Council; Mr. R. G. Rankin, treasurer of Carolina Council; Mr. W. B. Cooper, member of the order; Mr. J. E. Bunting, regent of Carolina Council, and Mr. W. J. Meredith, past regent of Carolina Council.

The banquet hall was beautifully decorated in the colors of the order, purple. The menu was splendid. It was one of the most enjoyable events in Arcanian circles in many months and all present spent a pleasant and profitable evening.

Mr. H. E. Bonitz will leave Saturday night or Sunday for Minneapolis, Minn., where he goes as one of the Supreme Representatives from North Carolina to the Supreme Council which meets there on May 17th. He will meet New York and Pennsylvania delegates in Washington Monday and will go with them on special Pullman. Mr. H. C. Dockery, of Rockingham, the other Supreme Representative for this State, and Mr. S. M. Brinson, of Newbern, Supreme Sentry, will also attend the meeting.

### ROYAL ARCH MASONS.

**Grand Chapter Elects Officers at Wilson—Raleigh Next.**

Wilmington Masons generally will be interested to know that at the annual meeting of the Grand Chapter, Royal Arch Masons, at Wilson this week, Raleigh was chosen as the next place of meeting and that officers for the ensuing year were elected as follows: H. A. Murrill, Charlotte, Grand High Priest; J. A. Cameron, Kinston, Deputy Grand High Priest; J. T. Alderman, Henderson, Grand King; M. S. Willard, Wilmington, Grand Treasurer; J. C. Munds, Wilmington, Grand Secretary; A. S. Barnard, Asheville, Grand Scribe; G. E. Norfleet, Winston, Grand Captain of Host; H. E. Ried, Lincolnton, Grand Principal Sojourner; O. W. Spencer, Salisbury, Grand Royal Arch Captain; J. H. Rhem, Grand Master of the Third Veil; R. H. Pickett, Wilmington, Grand Master of Second Veil, and J. J. Phoenix, Greensboro, Grand Master of First Veil.

An automobile trip and barbecue at Young's Springs was one of the features of entertainment for the Grand Chapter.

### THE RECORDER'S COURT.

**Negroes Fined $25 Each and Costs for Assault—Other Cases.**

Louis McDonald, colored, was given hearing in yesterday's session of the Recorder's court for assault with deadly weapon on John Whitfield, colored, it being alleged that he struck him with a rock or brickbat some weeks ago, inflicting a serious wound in the head. It is claimed that McDonald was in the hospital in a precarious condition for about two weeks. Recorder Furlong decided that both negroes were guilty of assault and a fine of $25 and costs was entered against them. McDonald took an appeal to the Superior Court. The other case is left open until this morning for final disposition, and it is probable that the fine will be reduced. L. Clayton Grant, Esq., appeared for the defendant and Wm. J. Bellamy, Esq., prosecuted.

Harllee Bellamy, colored, charged with violating the driving ordinance, was let off upon payment of costs. Livingston Sykes, white, was required to pay costs in a similar case against him.

**Will Be Taken to Ohio.**

Friends will tenderly sympathize with Mr. and Mrs. F. E. Royer in the death of their six-year-old daughter, Twiley M. Royer, which occurred at the family residence, No. 417 Surry street, at 6 o'clock yesterday morning, the cause of death being congestion of the lungs. The body will be taken this morning to Ohio, the former home of the parents, where the interment will take place. The funeral was conducted at 9 o'clock last night from the family residence by Rev. J. S. Crowley, pastor of Immanuel Presbytetrian Church. There were present a large concourse of friends.

# SOCIAL & PERSONAL

Mrs. Josephine Hearne and Miss Blanche King, of Albemarle, N. C., are in the city attending the Lutheran Synod and are the guests of Mrs. J. B. Mercer at her home, 215 South Second street.

* * *

The Ladies' Aid Society of St. Andrew's Presbyterian church will meet at the home of Mrs. Behrends, No. 517 Dock street, at 4 o'clock this afternoon, and all members are urged to be present.

* * *

Col. John D. Taylor, Clerk of Superior Court, and daughter, Miss Fanny Taylor, left yesterday morning for Richmond, Va., where they will visit his daughter, Mrs. C. E. Borden, for a week or ten days.

* * *

Miss Sarah Pumphrey, who has been the attractive guest of Mrs. James Owen Reilly for several week,s left yesterday afternoon for her home at Germantown, Md. She made many friends in this city who will regret to learn of her departure.

* * *

Friends are asked not to forget that the Junior Auxiliary of St. James' Parish will hold its annual lawn party this afternoon from 4 to 6 o'clock and this evening from 8 to 9 o'clock, at the residence of Mrs. Hugh MacRae, on Market street. Candy and ice cream and cake will be served.

* * *

The many friends here and elsewhere of Miss Adeline Keith, daughter of Mr. and Mrs. B. F. Keith, who was seriously burned at Meredith College several months ago and has since been confined to her room, will be delighted to learn that she is now able to be out and hopes soon to be completely restored to health.

* * *

There will be an entertainment at Pearsall's School House tonight at 8:30 o'clock for the benefit of the East Wilmington chapel. Refreshments will be served. The public is cordially invited to attend. There will be a cake to be disposed of in a contest for the prettiest young lady and this promises to be a most interesting feature.

* * *

The last business meeting of the season of North Carolina Sorosis was held in the library of the Masonic Temple yesterday afternoon with a large and enthusiastic attendance. Reports for the year were received from the officers and delegates to the meeting of the eFderation of Woman's Clubs, Asheville, recently reported, and the splendid report will be given in Sunday's Star.A number of business matters of interest to the club were considered.

* * *

Capt. Jas. H. Taylor, one of Wilmington's most highly esteemed citizens, went to Washington, D. C., a few days ago to consult a specialist, Dr. W. H. Wilmer, about his eyes, his vision having been very much impaired for some time. He was accompanied by his son, Mr. Thomas Taylor. A telegram was received by a member of the family yesterday stating that no operation is necessary at present and that Capt. Taylor and son will return this morning. Friends will hope that his eyesight will rapidly improve under treatment and an operation will be unnecessary.

## PERSONAL PARAGRAPHS.

—Mr. J. K. Nicholson, of Zara, Bladen county, was a business visitor to the city yesterday.

—Mr. J. S. Efird, wife and daughter, of Albemarle, N. C., were guests at The Orton yesterday.

—Mr. W. C. Murphy, trainmaster for this district of the Seaboard, spent yesterday in the city.

—Mrs. H. L. Greecy, sister and three children, of Wallace, were guests at The Orton yesterday.

—Mr. M. A. Goodman, of China Grove, Rowan county, is in the city attending the Lutheran Synod.

—Robert W. Davis, Esq., of Southport, was among the visiting attorneys here for Federal Court yesterday.

—Mr. A. McA. Nixon, of Lumberton, returned to his home yesterday morning after a brief business visit to the city.

—Messrs. J. E. Koonce and C. D. Koonce, of Chadbourn, and E. A. Hawes, of Atkinson, were guests at The Orton yesterday.

—Mr. J. J. Croswell, of Fayetteville, was in the city yesterday and was pleasantly greeted by his host of Wilmington friends.

—Mr. Albert Hopkins Marsh, public accountant and auditor, of Augusta, Ga., arrived yesterday and will be in the city a week or longer.

—Among yesterday's arrivals at The Orton were James D. Proctor, Esq., Thos. L. Johnson, Esq., and R. D. Caldwell, of Lumberton; D. T. McKeithan, of Lumber, S. C., and R. C. Powell of Whiteville.

## MRS. LAURA HOWELL DEAD.

**Highly Esteemed Lady Passed Away at Early Hour This Morning.**

Many friends in this city and section will learn with infinite sorrow of the death of Mrs. Laura Harriss Howell, relict of the late Andrew J. Howell, which occurred at her home, No. 702 Market street, at 1:25 o'clock this morning, after an illness of only four days of pneumonia. Mrs. Howell was in the 75th year of her age and had been in feeble health for some time. She is survived by three sons and one daughter, these being Messrs. William H. Howell, Andrew J. Howell and Geo. H. Howell, and Miss Eliza B. Howell, and one sister, Miss Mary Harriss, all of Wilmington. They have the sympathy of a great many friends in their bereavement. Mrs. Howell was a consistent member of the First Presbyterian Church for a long number of years and was a devout Christian woman. Announcement of the funeral will be made later.

During our Challenge Sale we guarantee our prices to be 4 per cent. less than elsewhere. Platt & Haar. **

"Take Me Up With You, Dearie." By Mr. Baldwin. Grand Theatre today. **

## LOCAL DOTS.

—The regular monthly meeting of Cape Fear Camp, No. 254, United Confederate Veterans, will be held at 8 o'clock tonight in the W. L. I. armory.

—The schooner Richard F. C. Hartley, Capt. Falker, cleared yesterday for New York with cargo of 440,000 feet of lumber from the Annette Lumber Company; vessel by C. D. Maffitt.

—The body of Lister V. Taylor, the infant child of Mr. and Mrs. W. L. Taylor, was interred in Bellevue cemetery yesterday. The child was one year and five months old and died at the home of the parents, No. 507 Wright street, on Wednesday.

—It was reported yesterday that some parties from a distance had arrived here on business with reference to the Sixth street bridge muddle. One report had it that the sheriff of Alamance county had arrived with an attachment paper and would attach the bridge.

—Already arrangements are being rapidly made for the opening of the beach season within the next few weeks. Mrs. T. E. Keel has secured the Northrop Cottage for the season and opened on May 2nd and there are several persons who have already moved to the beach and are stopping at Mrs. Keel's.

—Deeds were filed for record yesterday as follows: J. W. Brooks and wife to J. Q. Herring, for $300, lot on northeast corner of Fourth and Wright streets, 33x66 feet in size; C. D. Weeks, commissioner, to Paul Sharpless, for $240, lot on block 269, 160 feet west of Anderson street and 66 feet north of Green, 33x64 feet in size.

## FUNERAL OF MR. ISAAC BEAR.

**Funeral Conducted from the Late Rssidence Yesterday.**

The funeral of Mr. Isaac Bear, whose sad death occurred Tuesday night, was held at 4 o'clock yesterday afternoon from the late residence, on Sixth and Chesnut streets, conducted by Rev. S. Mendelssohn, Rabbi of the Temple of Israel, of which Mr. Bear was a devout member for many years. The services were attended by a large concourse of sorrowing relatives and sympathizing friends, and the floral tributes, many and beautiful, bore silent testimony to the general high esteem in which Mr. Bear was held by numerous friends in this city and elsewhere. Following the services at the house the body was borne to Oakdale cemetery, where the interment took place. The pallbearers were: Honorary, Messrs. Sol Weil, Goldsboro; W. H. Sprunt, A. David and J. A. Taylor; active Messrs. Geo. Sloan, L. M. Bunting, J. N. Jacobi, L. Bluethenthal, J. W. Carter, Maxton, and J. Weil.

There were a number here from other places to attend the funeral. Mr. Sol Weil, of Goldsboro, besides being a personal friend of the deceased, came as a representative of the board of directors of the Atlanta Orphan Asylum, in which Mr. Bear was always deeply interested. Mr. J. J. Meyer, a cousin of the deceased, who came to attend the services leaves this morning for his home in New York City.

## CLOSED UP GAMES OF CHANCE.

**Assistant City Attorney Pays Visit to the Carnival Grounds.**

Acting upon the advice of Assistant City Attorney Geo. L. Peschau, who was on the grounds, Chief of Police John J. Fowler Wednesday night ordered closed the games of chance on the carnival grounds at Fourth and Castle streets. The operators obeyed the mandate of the law. Mr. Peschau and Chief of Police Fowler went to grounds for the express purpose of looking after the games of chance, it having been rumored that they came without the meaning of the statute pronibiting gambling devices. All wheels of fortune, candy wheels and all games that could not reasonably be construed as games of skill were summarily closed. There were seven of these. The operators made efforts yesterday to get a change of ruling on their particular devices, but without success. The police have been instructed to arrest the operators should they again open for business.

## ADMITTED TO THE FIRM.

**Mr. John R. Murchison Becomes Member of J. W. Murchison & Co.**

Of pleasurable interest to a host of friends in this city and throughout this section of the Carolinas, which he has traveled, and where he has many acquaintances, will come the announcement that Mr. John R. Murchison had been admitted to the firm of J. W. Murchison & Co., wholesale hardware, of which his father, Mr. J. W. Murchison is the senior member, Mr. William E. Perdew being the other partner in the business. Mr. Murchison has been identified with the business for several years, and is a young man of splendid ability and engaging personality, eminently qualified for proprietorship, and will give strength to the business, which is one of Wilmington's largest and most progressive wholesale institutions.

**Shriners Meet In Newbern.**

A number of Shriners will leave this morning to attend the meeting at Newbern. Among those who will attend from Wilmington are: Messrs. J. F. Leitner, H. E. Longley, J. M. Hall D. R. Foster, R. C Merritt, Stewart R. Keyes, H. H. Ford, J. F. Post, T. M. Emerson, Dr. M. M. Caldwell and others The local delegation will go to Newbern in a special Pullman attached to the regular train and will return Saturday night.

During our Challenge Sale we guarantee our prices to be 4 per cent. less than elsewhere. Platt & Haar. **

The Bronx. **

## DIED.

HOWELL—At her home in this city, No. 702 Market street, this (Friday) morning, May 12th, 1911, at 1:25 A. M., MRS. LAURA HARRISS HOWELL, relict of the late Andrew J. Howell, aged 75 years.

Funeral notice later.

## SUPREMD COURT ON WATER SUPPLY

(Continued from Page One.)

move about among even vaccinated people.

State Commissioner of Insurance Young says reports of fires starting from "rats and matches" are coming in to him with a degree of frequency that makes some precaution against these sources of fires an imperative necessity. He says, too, that the logical remedy for this is for the people to use only the safety matches that rats cannot cut fire from and that cannot give rise to fires from careless use by persons, another prolific source of fires. There was a bill in the last Legislature to prohibit the sale of any but safety matches in this State, but it failed to pass.

## ODD FELLOWS ADJOURN.

**Exemplification of Secret Work—Next at Raleigh—Rebekahs.**

Winston-Salem, N. C., May 1.—After a contest on exemplification of unwritten work, participated in by several candidates, a prize, a beautiful silver loving cup, being awarded to E. B. Stradley, of Asheville, the Grand Lodge of North Carolina, Independent Order of Odd Fellows, adjourned this afternoon.

The Rebekah State Assembly which also adjourned this afternoon elected the following officers:

President—Miss Pattie E. Beck, of Winston-Salem.

Vice-President—Mrs. Bettie B. Tesh, of Charlotte.

Secretary—Mrs. Hattie Reid Whitaker, of Hendersonville.

Treasurer—Miss Serena Williams, of Elizabeth City.

Warden—Miss Bessie Aiken, of Hendersonville.

Both the Grand Lodge and Rebekah's State Assembly will meet next year in Raleigh.

Winston-Salem, N. C., May 11.—The decision that the per capita tax should remain the same, $1.40, but that 90 cents should be given to the Orphan's Home and 50 cents to the Grand Lodge and with the awarding of the Gilmore Ward Bryant cup for the best exemplification of the unwritten work of the order, the Grand Lodge adjourned this afternoon to meet next year in Raleigh.

The Grand Lodge voted to leave the education of the orphans to the trustees, and they decided that the Home should have a school of its own. The building that was partially burned last January is to be repaired for this purpose. Meanwhile, a suit will be instituted to secure a portion of the State school funds.

The following matrons were chosen: Miss Annie Parham, Mrs. C. F. McArten, Miss Barbara Nicholson, Miss Fannie Cox and Mis Lou Sessoms White. Miss Lillian McDonald, a former inmate of the Home, was elected music teacher. Dr. J. A. Parker was chosen physician for the Home.

## HOT WAVE FAR-REACHING.

**Temperature at 94 in Washington—Goes Over Atlantic States.**

Washington, D. C., May 11.—Washington tonight was the hottest place in the United States, the Weather Bureau recording 94 degrees, with much higher temperatures shown by the street thermometers. All over the Middle Atlantic States, a hot wave stretched, and the weather experts held out little hope of any material relief from the warmest weather of the season.

Philadelphia, May 11.—The mercury in the official thermometer today reached the highest point of the year, registering 90 degrees at 4 P. M. Upon only three other occasions in the history of the local weather bureau has the temperature here reached 90 on May 11. A number of persons were prostrated.

**It Startled the World.**

when the astounding claims were first made for Bucklen's Arnica Salve, but forty years of wonderful cures have proved them true, and everywhere it is now known as the best sale on earth for burns, boils, scalds, sores, cuts, bruises, sprains, swellings, eczema, chapped hands, fever sores and piles. ## ..Theatrical..

**Grand Theatre.**

With the temperature at 74 farh., and a programme of the very newest pictures and songs, the Grand is certainly a fine place to go to spend an hour. The patrons yesterday were more than pleased with the performances as was plainly shown by the satisfied looks on the faces of all who were leaving. Again today the management is offering a programme worthy of the elite patronage. One of the principal pictures on today's bill is the Pathe comedy entitled "The Apple of His Eye." Another picture that was made entirely for laughing purposes is the latest Edison comedy, "The Baby of the Boarding House." In this picture the "Baby" rules the whole household and there are dozens of very funny situations that tickle the worst grouch. Mr. Baldwin has selected as his song for today the great Patter song, "Take Me Up With You, Dearie." This song has become very popular in the Northern cities and the announcement that it will be sung at the Grand will be received with open ears. The Orchestra will play another new and up-to-date programme of late music among which will be the popular number, "The Glow Worm."

**At the Bijou.**

All in all, the Bijou today will offer the greatest moving picture bill it has yet presented, and at the same time it will be one of the greatest ever presented anywhere. And this big moving picture bill, too, besides delightful musical numbers, including a big song hit by Mr. Frank Banks. There are four films on today's programme and they run the entire gamut for tastes and enjoyment. The great Kalem triumph, "The Touch of a Child's Hand," in which are intermingled the love of a little child and the tenderness of others, is one of the features. Another great bill is "The Abernathy Kids' Rescue." The Abernathy youngsters are great favorites with those who follow things in the moving picture world. This film is the best yet. The latest Edison hit, "Edna's Imprisonment," is on the bill, as is also a fine educational film called "The Ocean Harnessed."

**At Joyland.**

The programme for today will consist of three feature films which has come to be the custom at the little Market Street house and if you will keep your eye on it and watch for the improvements, you will be surprised and delighted. Mr. Reilly's song for today will be "That Honeymoon Glide." This is one of the times that will make you happy to hear it. The very latest song out and three of the best pictures out should draw the crowds. Admission 5c; programme changes daily. Open from 2:30 to 11 P. M.

**Crystal Palace.**

The programme for the remainder of this week at the vaudeville theatre comprises a sketch team, Challis & Challis, in an act of singing and banjo playing. Little Miss Challis is an excellent child performer, singing her several selections with unusual charm, and her partner is featuring several numbers on the banjo, including a selection from "Il Trovatore," playing in full harmony. The pictures are varied and well selected. "Man or Maid," the comedy, is extremely laughable, and "The Transgressor," is a beautiful example of sacrifice of a father, though a hardened outlaw, retaining his paternal love for a daughter—a picture well acted with an edifying moral. Matinees today at 3:30 and 4:30. Evening performances at 8:15 and 9:15.

**His Bill Was Allowed.**

Capt. Louis S. Belden, who was chairman of the Commissioners of Streets, before that body was superseded with the change of government, yesterday called upon Capt. Thos. D. Meares, City Clerk and Treasurer, for the amount of his bill for three days' service after the expiration of the life of the board. The amount was $8.34 and this was allowed by the Council Wednesday afternoon, by a vote of three to two, Mayor Smith, Councilman P. Q. Moore and M. G. Tiencken voting in favor and Councilmen B. C. Moore and W. B. Perdew against. It was stated that Capt. Belden held over for three days in order to formally turn over to the new administration his office furniture, etc.

## COTTON MARKET LESS ACTIVE

**Old Crop Positions Made New Records for the Season—Advance of to 22 Points—Predict Bullish Statement.**

New York, May 11.—The cotton market was very nervous and unsettled today and trading was less active than yesterday, but all the old crop positions made new high records for the season and the close was steady at a net advance of 12 to 22 points.

The market opened steady at an advance of 3@7 points in sympathy with better cables, but quickly eased off to practically the closing figures of last night, under a renewal of yesterday's scattering liquidation and local selling, which appeared to be chiefly based on the idea that leading bulls had so reduced their old crop long lines that they would not oppose a good reaction. The official forecast for lower temperatures in the western belt was against general selling, however, the daily figures pointed to a bullish week-end statement and when it was seen that the bull leaders were coming to the supports of the market around 15.60 for July, shorts became nervous. The advance was held in check during the middle of the day by considerable offerings of July around the 15.74c. mark, but this cotton was gradually absorbed, which rendered the shorts still more nervous and during the afternoon July sold up to 15.80, or 21 points higher while August touched 15.50, or 24 points above the closing figures of last night.

New crop positions responded rather slowly to this advance, and seemed to be more impressed by the strength of the old crop, and a few new crop buying orders in the hands of leading bull brokers, than by anything in the weather or crop news Nevertheless, they sold some 11 to 14 points above the closing figures of last night, and closed within a point of the best, while last prices for the near months were from 1 to 4 points off from the top under realizing. Aside from the possibility of lower temperatures, weather conditions in the South appeared to be generally favorable and private advices from the southwest report that the Texas acreage will show an increase of 8 per cent.

Receipts today, 9,670 bales, against 13,593 last week, and 9,927 last year. For the week, 69,000, against 65,800 last week and 56,632 last year. Today's receipts at New Orleans, 6,619, against 3,987 last year and at Houston 685, against 931 last year.

Spot closed quiet, 15 points higher; middling uplands, 15.90; middling gulf, 16.15; sales, 1,600 bales.

Futures opened steady and closed steady.

| Month: | Open. | High. | Low. | Close. |
|---|---|---|---|---|
| May | 15.59 | 15.69 | 15.47 | 15.68 |

**Do Ghosts Haunt Swamps?**

No, never. It's foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy only, 50c at R. R. Bellamy's.

### THE GRAIN MARKET.

Chicago, May 11.—Tightening up of European markets led to a considerable change of sentiment here today regarding wheat. Many traders jumped from the short to the long side, and there was a steady advance in prices. Dry hot weather in Russia and Roumania was largely responsible. At the close, a steady tone prevailed with last sales 1⅛@1¼ to 2½c. higher than last night. Net gains were scored in all the other pits. Corn, ½ to ⅝c.; oats, ⅝@⅞ to 1¼c.; and hog products all the way from 5c. to 70c.

Wheat—No. 2, red, 95½@96¾; No. 3, red, 92@96; No. 2, hard, 95½@97½; No. 3, hard, 92@96; No. 1, northern, 1.03@1.05; No. 2, do., 1.01@1.04; No. 3, do., 1.00@1.03; No. 2, spring, 96@1.02; No. 3, do., 1.00@1.03; No. 2, spring, 96@1.02; No. 3, do., 96@1.00; velvet chaff, 94@98; durum, 85@94.

Corn—No. 2, 54¾@55; No. 2, white, 54¾@55¼; No. 3, white, 54¼@54½; No. 2, yellow, 55@55½; No. 3, do, 54¼@54½; No. 3, 54¼@54½; No. 4, 51@51½; No. 4, white, 51@51½; No. 4, yellow, 51@52¾.

Oats—No. 2, white, 34½@35¼; No. 3, do., 34@34½; No. 4, do., 33¾@34; standard, 34½@34½.

## FIRMER TONE MARKS STOCKS

**Trading Was of Same Listless Character—Steel Leading Factor—Day Passes Without Developments — Details.**

New York, May 11.—A firmer tone developed today in the securities market and price movements though small were in the main upward. Trading was of the same listless character as on the previous days of the week, but operators who had been persistently bearish reversed their position today and supported the market.

The demand, which was chiefly for the requirements of professional traders, was most pronounced in the United States Steel, Reading, Union Pacific, Lehigh Valley and Erie. The change in character of trading was attributed chiefly to the attitude of the professional element, the day having passed without developments which affected stocks to an appreciable extent.

United States Steel seemed to be the sustaining force of the list. Theoretically, its position was vulnerable, on account of the unfavorable showing made by yesterday's report of unfilled orders and the continued poor character of trade advices. The manner in which the stock resisted attack acted as a stimulant for the rest of the market. An attempt to force a break was made at the opening when large blocks of the stock were thrown on the market, but the price barely wavered, and bear traders were forced to cover at rising prices.

The copper metal market was somewhat easier today, prices here reflecting the weakness in the London metal market.

Sales of several million pounds of domestic consumers are reported.

Trading in the bond market was somewhat heavier today and the continued good demand in this department exerted a favorable effect upon speculative sentiment. Reports of the gross earnings of 30 railroads for April show that the roads were still falling behind last year, the combined receipts being $48,940,000, as compared with $49,683,000 in 1910.

The bond market was strong. Total sales, par value, $5,010,000. United States government 2s declined ¼ on call. Total sales of stocks today, 245,400 shares.

### THE FINANCIAL MARKET.

New York, May 11.—Money on call, steady at 2@2½ per cent; ruling rate, 2½; closing bid, 2½; offered at 2½. Time loans, somewhat stronger; sixty days, 2½ per cent; ninety days, 2½@2⅝; six months, 3@3¼.

Close: Prime mercantile paper, 3½ to 4 per cent; sterling exchange, easy, with actual business in bankers' bills at 4.84.50 for sixty day bills, and at 4.86@45 for demand. Commercial bills at 4.83⅛; bar silver, 53⅜; Mexican dollars, 45.

### DRY GOODS MARKET.

New York, May 11.—The cotton goods markets are steady, with a moderate demand being met on print cloths and sheetings for converting purposes. The warmer weather has stimulated a demand for wash goods for immediate shipments. Men's wear lines are quiet. Yarns are listless.

**Saved Child From Death.**

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctors' medicine seemed as useless. Finally we tried Dr. King's New Discovery and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, hoarseness, lagrippe, asthma, croup and sore lungs it's the most infallible remedy that's made. Price 50c and $1.00. Trial bottle free. Guaranteed by R. R. Bellamy.

### ELECTION NOTICE:

The Board of Commissioners of New Hanover County in accordance with the provisions of an Act of the General Assembly of North Carolina passed at its 1911 Session, entitled "An Act to empower the Board of Commissioners of New Hanover county to issue bonds for road improvement and to construct bridges," and by virtue of the power therein given, do hereby call and give notice of an election to be held by the qualified voters of New Hanover county, on Wednesday, the 31st day of May, 1911, between the hours of sunrise and sunset, to determine whether New Hanover county, North Carolina, shall issue $50,000 of its bonds, with interest coupons attached, to continue and complete the repairing, construction and improving the public roads and bridges in said county.

At this election the ballots tendered and cast by the qualified electors shall have written or printed upon them "For continuing and completing the construction and improvement of the public roads and bridges of the County," or "Against the continuing and completing the construction and improvement of the public roads and bridges of the County".

All qualified electors who favor the issue of said bonds shall vote "For continuing and completing the construction and improvement of the public roads and bridges of the County," and all qualified electors who are opposed to the issue of said bonds shall vote "Against the continuing and completing the construction and improvement of the public roads and bridges of the county."

For the purpose of this election as authorized by the said Act, the said Board of Commissioners have ordered, and do hereby order, a new registration for said election, and the following are designated as the polling places in the several townships, precincts and wards, and the persons hereinafter named have been appointed as the Registrars and Judges of election in the said several townships, precincts and wards.

Cape Fear Township—Polling places, Blossom's Store, Castle Hayne; registrar, W. B. Hand; judges, W. H. Shearin and J. H. Johnson.

Harnett, First Division—Sneeden's Store, Delgado; Geo. H. Ward, registrar; W. A. Woods and E. C. Holt, judges.

Harnett, Second Division — Township House, polling place; J. A. Everett, registrar; Geo. R. Smith and Gerrit Walker, judges.

Masonboro township, Township House, polling place; F. A. Montgomery, registrar; D. D. George and Andrew Capps, judges.

Federal Point township, Carolina Beach, polling place; Hans A. Kure, registrar; Thos. J. Burnett and Melvin Horne, judges.

Wilmington—First ward, Precinct No. 1, Engine House, 4th and Campbell streets, polling place; Fred Moore, registrar; C. F. W. Rehder and F. P. Lamb, judges.

Wilmington—First ward, Precinct No. 2, Kerr's Store, 4th and Harnett streets; Isaiah West, registrar; Geo. H. Heyer and C. L. Spencer, judges.

Wilmington — Second ward, Woolvin Building, Princess street, polling place; C. H. Ward, registrar; T. W. Wood and F. S. Shepard, judges.

Wilmington — Third ward, Giblem Lodge, 8th and Princess streets, polling place; J. D. Bowen, registrar; L. B. Sasser and Russell Bellamy, judges.

Fourth Ward—W. P. Oldham's Store, Dock between Front and 2nd streets, polling place; M. Crouly, registrar; W. D. McMillan, Jr., and T. G. Pickett, judges.

Fifth Ward, Precinct No. 1, Engine House, 6th and Castle streets, polling place; Jno. W. Gafford, registrar; J. E. Taylor and Henry Gerdes, judges.

Fifth ward, Precinct No. 2, Market House, 5th and Castle streets, polling place; R. A. Burnett, registrar; J. O. Brock and T. B. Willard, judges.

The Registration Books of each Township ,precinct and ward will be kept open for the registration of electors for twenty days preceding the day for closing the registration books as hereinafter provided, Sundays excepted, between the hours of 9 o'clock A. M. and sun set on each day, beginning the 27th day of April, 1911; and said books shall be closed for registration at sunset on the second Saturday before the election, to-wit: On the 20th day of May, 1911, and on Saturday, the 27th day of April, 1911, and on the 6th day of May, 1911, and on the 13th day of May, 1911, and on the 20th day of May, the Saturdays thereafter, the registrars shall attend with their registration books at the polling places of their respective Townships, precincts and wards, for the registration of electors.

The registrars will attend the polling places of their respective Townships, precincts and wards with the registration books, on the Saturday preceding the election, to-wit, the 27th day of May, 1911, from the hour of 9 o'clock A. M., till the hour of 3 o'clock P. M., when and where the said books will be open for the inspection of the electors of said Townships precincts and wards, and any of the said electors shall be allowed to object to the name of any person appearing on said books.

This, the 24th day of April, 1911, by order of the Board of Commissioners of New Hanover County.

D. McEACHERN,
Chairman.

Attest:
JOHN HAAR,
Clerk.

**UNLIKE ANY OTHER**

One secret of Monarch superiority lies in the wonderful responsiveness of its key action. In no other typewriter in the world do the keys so readily yield to the slightest touch of the finger.

That is why the Monarch is easier to operate than any other writing machine.

That is why it wards off fatigue and saves nerve-strain on the part of the stenographer. In consequence, her work is more accurate, greater in quantity than it is possible to obtain with any other writing machine.

**MONTHLY PAYMENTS.**

Monarch Machines may be purchased on the Monthly Payment Plan. Send for Monarch Literature. Learn the many reasons for Monarch superiority. A post card will bring full information.

# WORLD MISSIONS THEME OF SYNOD

(Continued from Page One.)

evangelization of the world, that the time for the reaping of a large harvest for the cause of Christ is already at hand. He urged especially the hastening of the work of the evangelization of Japan, representing that country as the key to the whole Orient.

Mr. M. G. Tiencken made some very earnest remarks at the close of the programme. He urged first the recognition on the part of the church to recognize first of all in its work, the command of Jesus Christ to win the world for him, and to work with that command in mind.

Dr. Cronk conducted a "Round Table" on the subject of the Laymen's Movement as the closing feature of the meeting. The music furnished during the meeting added much to its success. Many of the mottoes of the National Laymen's Missionary Movement were displayed on the walls of the building with telling effect.

**Morning Session.**

The morning session of the second day of Synod began with devotional service, which Rev. T. C. Parker, of Barber, conducted. The secretary, Rev. H. A. McCullough, read the minutes of the sessions of Wednesday and they were adopted. Several items of business were then considered.

A few minutes after 9 o'clock Synod reached the consideration of the special order of the morning session, which was hearing the fraternal address of Rev. C. L. Miller, of Hickory, messenger from the Tennessee Synod of the Evangelical Lutheran Church. Mr. Miller spoke first of historical facts of interest to both the Synod of North Carolina and that of Tennessee, showing that it was in 1820 that the division between each body occurred and that through these 90 years each body had been making history for itself. He showed that the members of the two bodies are brethren indeed, and that during the past few years these Synods have been growing closer together. He referred in this connection to the annual meeting of the Tennessee Synod, which was held September last in Lincolnton, that one commission from the North Carolina Synod brought a fraternal message from this Synod and that another commission extended the "olive branch" for closer fellowship. He said it could not now be determined what the future may reveal to be best regarding the two Synods; whether they should become one or labor on as two bodies, but that however this may be, the members of both bodies are working with the same great object in view. He gave statistics which showed that in the number of ministers and members of churches the two Synods have almost equality in strength, there being 50 churches in each Synod and 89 ministers in the North Carolina and 133 in the Tennessee Synod.

He laid especial emphasis upon the fact that one great work resting upon both Synods, which is of special importance at this time is the education of the youth. Mr. Miller referred also to the fact that he lived in that part of the State where people drive 40 miles through the mountains in order to be able to hear a Lutheran sermon and that they do not make objection when the sermon is two hours in length.

The message of Mr. Miller was heard with close attention and special interest, and at the close, Rev. J. E. Shenk, vice president of Synod, who was presiding at the time, delivered a most fitting response, speaking for the North Carolina Synod.

The next speaker heard was Rev. E. B. Cline, of Columbia, who represented the Lutheran Publication Board. He spoke of the publications of that board and asked that the hearty support of Synod be given the board, and asked also that Synod feel free to make any suggestions to the board which it felt inclined to make.

Rev. S. C. Crabtree, representing the Orphans' Home, of the United Synod of the South, was requested to speak to Synod in the interest of the Home, but he requested that he be heard later during the session and his request was granted.

A motion was made and was adopted that the parochial reports on the state of the church be referred to the committee on the State of Church, without being read to Synod. Mr. H. A. McCullough made objection to this action upon the ground that these parochial reports contain that which is of vital interest to the church and should be read in open Synod. There was considerable discussion as to the constitutional right of Synod to order that these reports be referred without reading, and there was a motion to reconsider the action taken in the motion adopted, but finally there was no reconsideration. The adoption of this motion renders it necessary that the only parochial reports to be read to Synod be those of the mission stations. The president, having taken the chair again, appointed a committee of three to suggest amendments to the constitution of Synod. This committee will submit its report to this meeting of Synod and the suggestions made will be acted upon during the meeting to be held next. The following members of Synod constitute this committee: Rev. V. Y. Boozer, Rev. G. H. Cox and Rev. J. E. Shenk. The president announced also the standing committees of this session of Synod.

The president read the report of the executive committee which was adopted. The report of the secretary was submitted next and was adopted. The secretary asked for information from Synod regarding the number of copies of this session to be printed for distribution to the congregation. On motion, Synod ordered that this matter be left to the judgment of the secretary. The report of the secretary showed that a much larger number of the minutes of the session of last year were printed than were printed the year before.

The presence of several visiting Lutheran minsters was announced and they were received as advisory. The announcement was made also that Rev. Dr. A. D. McClure, pastor of St. Andrew's Presbyterian Church, this city, was present and the courtesy of Synod was extended to him. Dr. McClure expressed his pleasure at being present.

The report of the trustees of Collegiate Institute, located at Mt. Pleasant, N. C., was read and adopted. This report showed that during the present year 114 young men have been students at the institute.

The next report submitted was that of Mont Amoena Seminary, which is a school for girls and it also is located at Mt. Pleasant. The report of the trustees of this school showed that 102 students have been enrolled during the present year.

Rev. A. G. Voigt, D. D., president of the Theological Seminary of the United Synod in the South, submitted the report of the trustees of that school. During the year 16 young men have been studying for the minstry in that Seminary, all of them being college graduates before entering the Seminary. Only in exceptional cases does the Seminary receive a student who is not a college graduate.

These three reports presented a number of facts which show satisfactory progress has been made in the schools during the year and the reports were adopted.

The next reports submitted were of the mission stations in the bounds of Synod, which are located at the following points: Lexington, Barber, Spencer, Winston-Salem, High Point, Mooresville and Landis. The pastors of the missions made the reports and the work at all points showed that decided progress has been made during the year.

The Synod adjourned at 12:15 in order that a session of the Ministerium might be held. The ministerium is composed of ministers only and its work consists largely of the examination of candidates for the ministry and of those eligible for ordination to the same.

**Notes of the Synod.**

Rev. M. M. Kinard, Ph. D., the president of the Lutheran Synod, is a native of Newberry, S. C. He received his literary edcation in the schools of Newberry, the University of South Carolina and his Theological education in the Seminary at Charleston and that in Gettysburg, Penn. He spent 16 years of his life as a minister in South Carolina, three years in Tennessee, during a pastorate in Knoxville, coming from that city to Salisbury. He has been pastor of St. John's church in Salisbury for four years, and under his leader ship that church has made rapid progress along all lines of work.

Dr. Kinard is a cultured gentleman and a close student. He is also an able preacher and pastor, possessing a personality of uplifting influence. He is one of the ablest men in the Synod, and his leadership will no doubt prove of great value to the body.

Rev. H. A. McCullough, who has been elected Secretary of the Synod for the fourth time, consecutively, is easily one of the strongest men in the Synod, and one whose influence is felt largely for good along every line of the work of the advancement of the church. He, also, is a native of Newberry, S. C. His literary education was secured in Newberry, and his theolobical education at the Seminary in Charleston. He has held four pastorates, one in Concord, N. C., another in Orangeburg, S. C., another in Mount Pleasant, S. C., and is at present pastor in Albemarle where he has been for four years.

As a secretary he is painstaking and accurate and although he is doing the work of a busy pastor, he finds time to look after the detail work of the Synod. The standard of Mr. McCullough's Christian life is high, and as preacher, pastor and secretary, he is conscientious and true.

# MADERO'S CABINET HAS BEEN CHOSEN

(Continued from Page One.)

but thoroughly armed insurrectos.

All the dead were buried today and the wounded removed to temporary hospitals where surgeons of the Red Cross were busy looking after them.

It is difficult to estimate even approximately the number of dead and wounded during the two days' fighting.

An Associated Press correspondent today saw 97 Federals wounded at the temporary quarters of the Red Cross, 15 rebels and insurrecto wounded in a shot riddled store that had been converted into a temporary hospital, while 23 others had been conveyer to the American side of the river.

From estimates made by Federal prisoners and by insurrectos it is safe to say that at least 60 were killed.

**Federals Under Guard.**

Nearly 500 Federal prisoners, disarmed, but not disconsolate, are guarded in the barracks. Indeed, more than one of the prisoners, including one who had lost his left forearm at Casas Grandes and who suffered a bullet wound in the right arm yesterday, savagely expressed joy over the victory of Madero.

"I did not want to fight with the Federals," said the little fellow with the empty sleeve, "but they forced me into the ranks. My sympathies were all with the insurrectos."

The insurrectos today did honor to the memory of Col. Tamborel, the Federal leader who was killed during the fighting, by escorting his body to the cemetery on the bare hill side and sounding taps over the grave.

With a troop of insurrecto cavalty as an escort and followed by a firing squad on foot, the body of the dead Federal chief, laid on a stretcher in a dilapidated one-horse express wagon and covered with nothing but a white sheet, was carried past insurrecto headquarters, then down the narrow streets of the little city to the cemetery. At the head of the procession was a member of Col. Tamborel's staff, who was given back his rifle for his last ride with his dead chief.

**Red Cross to Their Aid.**

That the Mexican Federal forces were almost entirely without provision for surgical and medical care, was shown today when Red Cross surgeons and nurses from El Paso went to the captured city and took charge of the barracks and other temporary field hospitals, where scores of wounded awaited their care.

Three or four Federals were found in an old hotel that had been used by the troops as a hospital. They were suffering of wounds that had been inflicted in the fighting around Casas Grandes nearly two months ago. They had received no care since that time.

Hollow-eyed skeletons, with gangrenous wounds, gazed silently at the Red Cross workers as they began to work with disinfectants and water to remove the stench that pervaded every one. In one room, stripped and thrown in a heap, were found four dead bodies, bloated and disfigured.

In another room, shut off from sunlight and fresh air, were half a dozen other men, who had almost lost the semblance of human beings from erysipelas or typhoid fever.

Another typhoid patient, all but naked, lay on the ground outside the door of one of the unventilated rooms. Over the mouth and eyes of the dying wretch hovered a swarm of flies.

Another emaciated man mutely pointed to his leg, broken by a bullet at Casas Grandes. A rough board, stretching from the hip to the ankle had been bound to the fractured limb. The bandages had not been touched since the lumber splint was applied.

Another trooper, with his thigh shattered by a bullet at Casas Grandes, had only bandages around the wound. He, too, had received no medical attention since the Cases Grandes fight and gangrene had set in.

A number of other wounded men were in such septic condition that the surgeons and nurses did not dare touch them until they had put on rubber gloves.

Stretched on the floor in one room were five wounded men. One was dying of a shot through the lungs. He had received attention from a woman who crouched at the side of the unconscious man fanning the flies from his face and weeping silently.

Eight cases of typhoid fever in all were found by the Red Cross corps at this one hospital. One was a raving maniac. And pervading everything was the host of flies.

**Federal Troops Moving.**

Nogales, Mexico, May 11—Five hundred Mexican Federal troops comprising the garrison which evacuated Agua Prieta yesterday passed through Lomas Junction at 2 P. M. today on their way toward Hermosillo. They traveled in a special train consisting of six coaches and two stock cars. Lomas Junction is only a few miles distant from Nogales.

Fighting was reported today at both Cananea and Magdalena, the former a Southern Pacific terminal, and the latter on the line of the Sonoro Railway.

The train from the south, due here early yesterday morning, arrived today. Its passengers reported that two bridges had been burned north of Llano. Rebel force of 140 men was in possession of Llano yesterday. When the insurrectos reached Santana 60 soldiers who had been garrisoning that town deserted and joined the rebels. The entire force then marched northward toward Nogales.

The Agua Prieta Federals who were counted on to reinforce the garrison in Nogales, are proceeding southward instead. This is taken to mean that Nogales is to be left to its fate, while all available government troops hurry towards Hermosillo, the beleaguered capital. Nogales is strongly entrenched and its garrison is expected to put up a desperate resistance in the event of a rebel attack, which is now regarded as inevitable. With the entire district east of Sonora railroad save the Cananea territory is in the hands of the rebels it is expected that the scene of the fight is in northern Mexico will be shifted to the country lying to the south of Nogales and Hermosillo sections with these two cities as the objective points of rebel attack.

**Would Take Mexico City.**

San Antonio, May 11.—"Unless President Diaz resigns and peace is made at once General Francisco I. Madero, my brother, chief of the revolutionary movement will be leading a force of 20,000 men through the streets of Mxico City in less than a month. This is no idle talk. It is the military plan which he has made."

This statement was made here today by Alfonso Madero, recently a peace emissary.

"The City of Mexico is the objective point," Alfonso Madero said. "My brother, as soon as it is definitely determined, says there shall be no further peace moves, will start south, gathering in his soldiers as he goes. It is planned to take Torreon, install a garrison and then head for Chihuahua. There is no question that the insurrectos can take every town as they go and after Chihuahua, it will be a march south, couriers calling in the insurrecto commands from around Saltillo in the mining camps and elsewhere. Long before he appears before the gates of Mexico City, my brother's army will be augmented to over ten thousand men."

## PARCELS POST DENOUNCED

**Resolutions Passed by Wholesale Grocers' Association.**

Atlanta, Ga., May 11.—Republicans denouncing the parcels post act now before Congress were unanimously passed by the Southern Wholesale Grocers' Association at today's session The question was deemed of such importance that unanimous consent was given to the proposal to consider it by the body at large instead of having it first pass through the usual committee.

The morning session of the convention was strictly executive, but President J. H. McLaurin would not deny that most of the time was consumed in the discussion of the charges of the Federal government that the association is an association in restraint of trade.

## TIME AND LITERATURE.

**Urges Students to Read Best Books and Never Squander Time.**

New York, May 11.—Never squander time and read only the best in literature—two rules for those who would excel were laid down today by Jeon J. Jusserand, French ambassador to the United States, in an address before 1,500 students of the College of the City of New York at the annual French day exercises,

"Whatever you may squander, never let it be time," he said. "Good reading probably affords the very best means of occupying one's time. I have always advocated a cleaner class of literature than we sometimes peruse and I think that the average person would do well to overlook certain types of books."

## HAMLET HAPPENINGS.

**Shriners to Newbern — Episcopal Work—Taken to Hospital.**

Hamlet, N. C., May 11.—Messrs. W. E. Davis, W. R. Davis, J. C. Brittingham, Butler Carson, I. L. Moore and T. E. Tant left this morning for Newbern to attend a meeting of the Shriners. Four of these gentlemen are to ride the Shriners' goat.

Rev. R. D. Campbell and wife are with Mrs. Hedgepeth The Reverend Campbell has come to Hamlet to take charge of the Episcopal interests of Rockingham, Hamlet and Laurinburg.

Mrs. H. D. Purvis was taken to a Richmond, Va., hospital on last night's train. Mrs. Purvis is suffering from a severe attack of rheumatism.

## MRS. SULLY LOSES SUIT.

**Verdict to Recover $20,000 Awarded Colonel Corr.**

New York, May 111.—Mrs. Emma Sully, wife of Daniel J. Sully, once called the "Cotton King," lost the suit today brought against her by Colonel Peter H. Corr, of Taunton, Mass., to recover $20,000. A sealed verdict opened to day found for Colonel Corr in the full amount, with interest from 1904,, making $28,536. Mrs. Scily maintained that the money was not lent, but had been given her to aid her husband when he was in difficulties.

## SAYS PROHIBITION IS FARCE.

**Judge Comments As to State of Affairs In Georgia.**

Augusta, Ga., May 11.—Discharging his petit jury this afternoon following five acquittals of saloonists, charged with retailing liquor, Judge Henry C. Hammond, of the Superior Court, commenting from the bench presented facts tending to show that despite the prohibition law in Georgia the people want liquor, the State licenses the dealer, the juries refuse to convict and hence the prohibition law of the State is a farce and a failure.

New York, May 11.—F. Augustus Heins filed a summons and complaint today in an action against the Northern Bank for $350,000 for the alleged conversion of collateral put up to secure the payment of 12 notes. The Northern Bank is one of the defunct institutions which Joseph G. Robin wrecked.

Minola, L. I., May 11.—In a wild West game in the attic of his home at Happague, this afternoon, six-year-old Johnnie Richardson found a revolutionary musket and leveled it at his four,year-old brother Fred. The old musket was discharged, tearing the upper part of the lad's body almost to pieces. There is no hope for his recovery.

# ICE! ICE!! ICE!!!

# -:-YES-:-

# ICE! ICE!! and ICE!!!

One might almost be led to believe that this community had never seen Pure Ice until this good year 1911.

A great man once said "there is nothing new under the sun" and this is so to a great extent when it comes to the manufacture of ice.

Now, as a matter of fact, The Independent Ice Company has been for ten years and is still making as pure, as clean, as healthful to use ice as can be found in all North Carolina. We defy anyone to prove to the contrary. Our prices are as low as the lowest. We give full guaranteed weight. Our service is the best Wilmington ever had. We have a polite, accommodating corps of officials who will thank any one to report any act of neglect or discourtesy on the part of our wagon drivers or helpers.

Do the right thing for yourselves and for ourselves by taking ice from the old reliable.

# THE INDEPENDENT ICE CO.

## WHAT AGE DO YOU EXPECT TO REACH— 60, 70 or 80?

If you live that long, there are likely to be some years at the latter end when you will not be able to earn a living for yourself and family.

A man's productive powers are curtailed and usually ceases entirely with old age. This makes him entirely dependent for support upon his friends or the State unless he has saved while young.

Begin to save now during the productive years of your life. Open a saving account and deposit a part of your earnings, which will keep you and yours in old age.

# The Atlantic Trust & Banking Co.

# TURPOILINE

## CHEAPER THAN TURPENTINE

It is an odorless mineral product, which possesses great solvent power for paints and varnishes, has the requisite high flash for working and the clean evaporation which leaves the coating in perfect condition.

TURPOILINE makes a free flowing varnish, free from bloom. It flat colors better than turpentine.

TURPOILINE is thorough uniform; you can be assured of receiving the same product all the time.

TURPOILINE costs less and works well.

TURPOLINE is the most satisfactory product on the market for the paint and varnish man.

Try TURPOILINE. One thorough trial will convince you.
